KNIGHTS OF COLUMBUS

San Antonio de Padua Catholic Church ~ Council #9195 ~ www.anaheimhillsknights.org

GRAND KNIGHT'S MESSAGE

My father immigrated to America 100 years ago from a small town east of Bari, Italy. To him, America was revered as a country that he was honored to become a part of. When he arrived at Ellis Island, he was in his mid-teens, he was alone, he had a 3rd grade education, he did not speak the English language, and he carried a letter stating he should be sent to Tucson, Arizona. When he arrived in Tucson, a cousin of his met him, housed him, fed him, and found him a job with the Pacific Fruit Express Railroad. He was a laborer most of his working career, and eventually he moved to Los Angeles where he met and married my mother and started a family.

Once he arrived in Los Angeles, he immediately got involved with the Catholic community and became a member of the Sons of Italy Society. In time he rose to become the president of his chapter for the Sons of Italy. He also, and he was most proud of this, became one of the primary movers to help find a Catholic Church on North Broadway in downtown Los Angeles, named St. Peter's Italian Church. He was very active in putting on fund raising events and working at the church to help those in need. As a child I watched him do this and was always amazed as to how he, and others, pulled it off.

John and Beatrice Smaldino had three children: Mary, Frank and Ralph. I was named after my Grandfather on my father's side, Francesco. I never met my grandparents on my father's side but learned a lot about them from my father. A major part of my family life was and is from my mother's family. She had 5 sisters and one brother. Every holiday we would have huge family gatherings of

visiting, cooking, eating, laughing and enjoying each other. Truth was in that era; there was nothing else to do. There were no other distractions to keep us apart. Family was everything. At our home, every Thursday and Sunday, we would have a family pasta dinner. It was a ritual. It was a tradition with absolutely no option of changing it. And it was great!

So what does all this have to do with a Grand Knight's Message?

1. I have been blessed to be born, raised, and educated in America. A great country.
2. I was raised in an Italian family and had many aunts and uncles and cousins living within a two-block radius of our home, which was less than three miles from Dodger Stadium. (No booing the blue, please). My family provided me with wonderful memories that shaped my life. They are my role models and my heroes.
3. My parents demanded that I get an education. To this day, I have no idea how they found the money to send me to St. Mary's College. It had to be a huge financial sacrifice for them. A debt that I try to repay in a small way by helping others as a member of the Knights of Columbus and being your Grand Knight.
4. My parents were concerned when I enlisted into the United States Army but knew that I had to follow my desires to serve our country. The America I love and cherish.
5. Serving as the Grand Knight of our council is my way of honoring my parents and family by doing all that I can to help at fund raising and providing for the needy. I was raised to do so. It is, simply, in my blood.

St. Teresa of Calcutta, help us feed the hungry and provide drink to the thirsty.

DEPUTY GRAND KNIGHT'S MESSAGE

Brother Knights, it has been quite a ride since I have become Deputy Grand Knight. The 4th of July food booth, the San Antonio Garage Sale, the Parish Fiesta, and the Monday BBQ's. We have been involved in these and many more events. I can't express the amount of gratitude deserving to all that have been involved. We are an exceptional example of a true brotherhood.

Now we look forward to the next task at hand, as our most Worthy Grand Knight Frank Smaldino has set us on a course for this Columbian Year.

The next event we are working on is our "Italian Dinner Night" fundraiser on Saturday, Oct. 15. I have been "selected" to be the chairman of this event. Brother Bob DePaola is handling our menu, Brother Dick Crawford is handling the bar, and I am handling "staffing". So need I ask? "HELP". We are looking for 4 volunteers to work with us to prepare the meal, set up the hall, and anything else needed on Saturday Oct. 15, from 8:00 am until we are ready to launch.

At the event, we need 6 volunteers to serve the meal, wear a white shirt, dark slacks, and we provide the red apron. Any fake mustaches, fake (or real) Italian accents are encouraged. Maybe a couple (Jim and Nancy) to run the bar drink tickets table, and another couple to run the entry table. And of course a clean-up crew of at least four Knights.

I feel this could be the start of another event that "catches on" like the Fish Fry's. Please contact me at 714-856-5775 with the times you can help.

KNIGHT'S ENLIGHTENING

THE TRUE STORY OF THE CASEY'S "The First USO"

By Bob DePaola

Everyone has heard of the Hollywood Canteen run by the USO. But who remembers who started the whole idea of a place for our soldiers to go. The current USO was founded in 1941 by Mary Ingraham in response to a request from President Franklin D. Roosevelt to provide morale and recreation services to U.S. uniformed military personnel. Where did FDR get the idea of a service organization dedicated to assisting our military? On August 17th, 1918 he was the Assistant Secretary of the Navy. During his visit to France he visited a base in Paimboeuf, Western France where he witnessed the work of the K of C and other non-profit organizations at work.

Turning back the clock, prior to Iraq, Afghanistan, Korea, Viet Nam or even WWII. Let's go back to beginning of the USA's involvement in WWI. Early in April, 1917 at the onset of the USA involvement in World War I, Supreme Knight James A. Flaherty proposed to then U.S. President Woodrow Wilson that the Order establish a soldiers' welfare centers in the U.S. and abroad. In a small office in Washington DC was a small group of dedicated men. The sign on the door read "Committee on War Activities-Knights of Columbus". With no government funding, the Order raised more than \$14 million for this program on its own, and was allocated another \$30 million from a

national fund drive. The pioneer work was done by half a dozen Knights of Columbus chaplains who reached France in October 1917 and combined with their priestly duties and the activities of Knights of Columbus members. They were given a sum of money and one of them started the first Knights of Columbus club in, St. Nazaire, France, then the principal debarkation port of the American Expeditionary Force (AEF). A survey was made and the first group of K of C members arriving in March 1918. They set up headquarters at 16 Place de la Madeleine, Paris, and from that center the activities of the Knights radiated all over France, through England and Scotland, touching on Ireland and Italy, and following the Army of Occupation into Germany.

Everyone Welcome, Everything Free

"Everyone Welcome, Everything Free" was the motto of the Knights of Columbus clubhouses which sprung up in Doughboy training camps, in major U.S. cities and wherever a Doughboy could be found. Manned by K of C members who were affectionately known as "Casey's" the clubhouses provided recreation and a few of the amenities of home to any serviceman regardless of race, color or religion. And to Catholic servicemen they provided Chaplains and place to practice their faith. The Knights were one of the youngest volunteer organizations drawn into support to the AEF's.

CLUBS AND HUTS: The establishment of clubs and the building of huts for the recreation of the soldiers was an attempt to give the boys a home away from home. The K of C members proved to be incredibly industrious. From their bases at Toul and St-Menehould they would take supplies to the front. They conveyed commodities along congested roads. They ministered to the men, made their way through the woods to units which had become temporarily cut off from the mess kitchens: they helped with the wounded in the first-aid stations, served hot drinks to the soldiers under fire, acted as stretcher bearers, accompanied and aided the burial details, suffering the same privations and hardships of war as the doughboys.

Soldiers take advantage of free personal items at K of C hut

During their first month the Casey's passed out 37,719 cartons of chocolate; 25,250 cartons of chewing gum; 14,772 baseballs, 2,286 sets of boxing gloves, and 1,687 footballs; 10 million sheets of writing paper and 8 million envelopes. In a time when the health impact of smoking was not understood they also distributed 57 million cigarettes. However poor the hut on the front might be, the soldiers loved it. It was "a poor thing but mine own." Here they could write letters, smoke cigarettes, chew gum or drink coffee. Athletics were a special care of the Knights. Many of the leading figures in boxing such as Joe Jackson, Fireman Jim Flynn, Joe Dempsey and baseball great's such as Joe

Tinker, Johnny Evers and Frank Chance crossed the ocean in the service of the Knights and worked the camps. A ballfield and boxing ring were features of many of the Knights of Columbus Clubs. Even though segregation was rampant in the AEF & in other organization, it had no place at the K of C huts. "Everyone welcome".

By the end of the War the Casey's had earned the respect and admiration of many veterans they had served. That admiration led to the largest influx of new Knights ever into the 40-year-old organization at War's end. The Knights work, however, did not end with the War. Following the War the Knights set up employment boards for returning Veterans and later joined with the VFW and American Legion in support of the returned Doughboys. When the K of C war activities officially ended in 1921 the Knights had provided immeasurable support to our Veterans and Universal respect of those they had served

Mary's Kitchen Fire

By Jack O'Connor

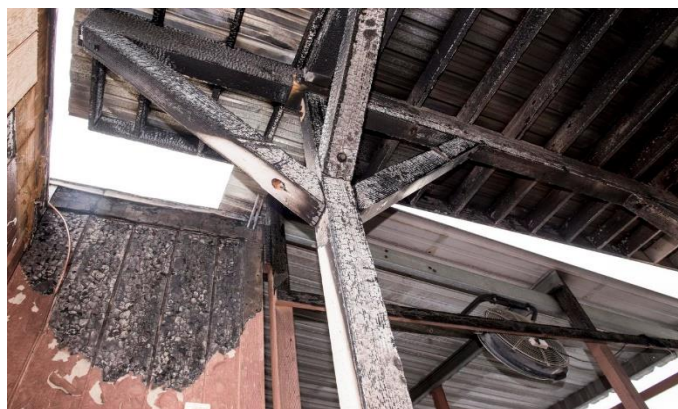

Sometime on the evening of 10/11 September, a fire broke out in Mary's kitchen. It was located on the north east section of the kitchen.

Gloria Suess
President/CEO of Mary's Kitchen

The overhead cover was destroyed and there was some damage to a wall on the kitchen trailer. 3 refrigerators and 1 freezer were also damaged beyond

repair. All the refrigeration units inside continue to work.

There were no injuries and the cause of the fire is still under investigation. For a few days both gas and electricity were turned off.

As of last Friday, 16 September, the kitchen is back in full operation. The charred beams replaced with new ones the wall has been repaired and painted. If there is good news- it is that the stove was torn

down and completely cleaned. Once the budget is formally approved at the next council meeting, we plan to contribute the full amount of \$2,000 to Mary's kitchen. It is also possible that some of our licensed people might be asked to help make some additional repairs. If you are interested in helping, notify Jack O'Connor email:

MARY'S KITCHEN BURNED, NOT BEATEN

Excerpt from OC Register

By Jonathon Winslow

September 13, 2016

ORANGE – The kitchen was closed but lunch still served Tuesday as Mary's Kitchen leaders figure out how to repair at least \$150,000 in fire damage to the building, which provides meals to more than 1,000 people each week.

"This is what we do, and we'll be darned if a little fire would stop us," Gloria Suess, president and CEO of Mary's Kitchen, said as guests lined up outside with trays and dined together at nearby tables.

Mary's Kitchen – which provides food, clothes, showers and other services to the homeless – was red-tagged after a fire destroyed a large walk-in freezer full of food and two refrigerators Friday night, taking the kitchen offline.

Electricity and gas have been restored, but there's no estimate as to when the kitchen will be fully functional. Showers may be operational as early as today, staff said. Suess said the hope is insurance will cover most of the repairs.

Capt. Casey Fieldhouse of the Orange Fire Department said the fire started at 6:58 p.m. Friday. The damage was limited to the rear of the building; the cause is under investigation, he said.

With cooking temporarily off the table, volunteers gathered Tuesday to dole out servings of brought-in tuna casserole and bagged lunches while workers toiled in the background to get things back to normal

See "Mary's Kitchen Fire"; continued on page 9

Mary's Kitchen Fire

Continued from page 8

Outside groups have stepped in to lend a hand. Second Harvest offered to refrigerate the salvageable food and Home Depot is lending generators to keep things moving, Suess said.

Mary's Kitchen was founded in 1984 by Mary McAnena, who found her calling after helping a homeless woman in Orange's Hart Park.

Suess said, anyone looking to pitch in can visit maryskitchen.org or call 714-633-0444. Suess said spirits have been high as ever, since the fire. "We're just here to serve and get the job done," she said. "Everyone has a happy heart."

Mary's Shelter Painting Project

Just to keep you up to date, the officers have agreed to take on another painting project at Mary's Shelter. Recently we have painted several bedrooms and the kitchen/family area in both houses. This next task will be the playroom area. The plan is to paint that room next month. We have the 3 knights needed for the project.

KNIGHT'S ENLIGHTENING

October Events

Starting off the month will be our version of welcoming in the beginning of the holiday season. Starting off in a grand way with the Oktoberfest on October 5th.

October is a special month for the Knights of Columbus because Columbus Day is on Monday, October 10th. At the 8:30am mass on the 10th, the Knights will join in prayer to thank God for our blessings. As usual, when we gather, we offer up prayers for those of us who are ill.

Then on Saturday, October 15th, we celebrate with the Knight of Columbus Italian Dinner in Glynn Hall. This is a parish wide event and we are hoping that it becomes a substantial fundraiser for our council. It starts at 5pm and ends at 8pm. So save the date and join in on the great food and fellowship. Become an Italian for a day.

In between these two events, is our Parish Red Cross Blood Drive on Thursday, October 13th in Glynn Hall. As you may recall, the Knights took over this function to assist the parish and bring more desperately needed blood donations to the Red Cross. As Knights we have signed up to help the needy. There are countless situations where blood is needed to save lives. We need to contribute. If for medical reasons you can't give, then find someone who can give. Ask your neighbors and friends to donate. Drive them to Glynn Hall to make a blood donation. It is yet another way to help the needy.

We have the opportunity to increase our membership with a Recruitment Weekend on October 15th & 16th at all the masses. Help us by working before and after the masses to pass out information on the Knights. Help us by inviting other male parishioners to join the Knights. Just ask them. Please wear your badges to all events at the church.

Mark Thornberg is our chair for the Knight's participation for Trunk and Treat in the east parking lot on Friday, October 21st. Contact him and join in on the fun.

For those that are currently 3rd degree Knights, become a 4th degree Knight (Patriotic Degree). The ceremony will be held on October 22nd at the Irvine Marriott. It is the patriotic thing to do. Become a "Sir Knight."

Paul Helterline is our chair for the Thomas House Birthday Party for Children on Saturday, October 29th. Give him a call to help out.

See you at the next Council Meeting on Wednesday, October 5th. Meet at 5:45 PM in the Chapel to say the rosary together. 6:00 PM in Glynn Hall for social time. 6:30pm for dinner. 7:00 PM for speaker. 7:30-8:15 PM for business meeting.

See page 13 for a more detailed calendar of events

Sunshine Report

By Tony DePaola

Dear Jesus, Divine Physician and Healer of the sick, we turn to you in this time of illness. We place our sick under your care and humbly ask that you restore all your servants to health again. Above all, grant us the grace to acknowledge your will and know that whatever you do, you do for the love of us. Amen.

Brother Knights;

Please keep the following knights and their families in your thoughts and prayers. Please email or call Brother Tony DePaola for any updates.

Father John wrote: 'Thank you to all for prayers during my recent surgery. So far so good! The titanium plate, screws and ceramic disk in my neck has not moved, and that is a great sign of my ability to do nothing! It will take about 9-12 more months for the bone to grow and fuse. I am currently in Physical Therapy and under strict orders do not lift anything over 15 pounds, or push anything up over my head. My doctor is happy with the slow but steady progress.

Thanks again for your prayers and support."

Fr. John

Jack Abajian wrote: "I would like to thank you all my Brothers and families for all your continued Prayers for me and my family. It was great seeing some of our Brothers and wife's today at Church. It was a Blessing, I would truly appreciate your continuous Prayers for me and my family - Father (Michel), my sister (Marie). Please keep Toni (my lovely lady) in your Prayers as well.

PGK Brother Maurice McCaughn's wife Laverne had successful lung surgery, the docs said they got it all, she is resting at home. She needs our prayers.

Brother Keith Carden has a condition known as ME/CFS (Chronic Fatigue System). He says, "I'm

trying my best to stay positive. Thank you all for your support. It means the world to me.

Brother Bert Millspaugh has been diagnosed with a tumor in his nasal area. He has now completed radiation treatments, many Knights volunteered to drive him to Kaiser Hospital and the Millspaugh family thanks all who participated. Please pray for him.

Brother Bob De Paola is being treated for a left knee condition affecting his activity level. Due to severe pain requiring cortisone injections.

Brother Phillip Ramos is about to get another hip replacement. He says he would like to get active again once he is more mobile. Keep him in your prayers.

Brother Don Davis's wife Gwen Davis is home recovering from a broken wrist and subsequent required surgery. She is slowly recovering. Keep her in your prayers.

Brother Pete DePaola had open heart surgery where a valve was replaced and some stents inserted. His surgery was successful and is presently recovering.

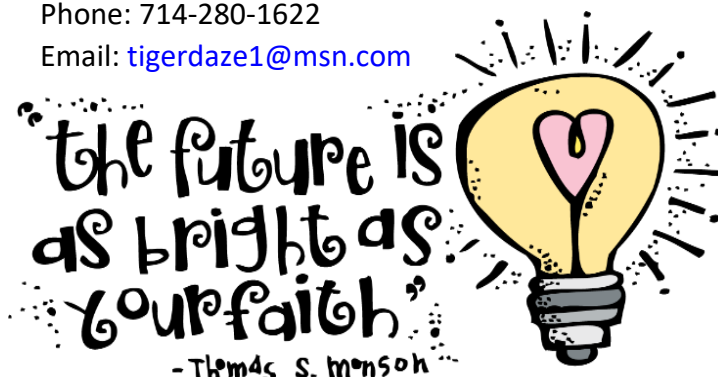

We wish all of our members a speedy recovery and a healthy year. If I have missed anyone, please give me a call and let me know how you are doing or if you have any planned surgeries.

Please don't forget to keep me in the loop once you hear of anyone who is ill or is having or had surgery. We wish everyone good health, and stay safe! Until next month:

DONATE Is the key word here, it is up to you.

On **October 13th** we'll roll up our sleeves and help save lives! We proudly partner with the American Red Cross to hold what we expect to be one of the best blood drives. The Red Cross has over 130 years of experience providing humanitarian aid – including more than 70 years of supplying blood to those in need.

Each pint of blood we collect can help save up to three lives and will touch the lives of so many more. What a great way to pay it forward and make an impact on people in our community and across the country. We are very excited about the drive and I hope you are too.

A typical donation takes less than one hour. It's for a great cause. **Roland Esquivel & Bill Whitcomb** will there along with Father John & Father Dave supporting the drive, the Red Cross and our community, we look forward to your participation and seeing you there.

If you haven't yet signed up to donate, volunteer or help spread the word, please contact either of us. There are plenty of opportunities to get involved.

Thank you for making **The San Antonio Church blood drive** what it is. Let's make an impact in our community on **October 13th** and add that to your list of great accomplishments. Please call: **Roland Esquivel:** 714-808-4901; **Bill Whitcomb:** 714-280-0471

Please remember to do the following on the day of the drive:

1. Drink an extra 16 ounces of water or nonalcoholic fluids before your donation.
2. Eat a healthy meal before your donation. Avoid overly fatty foods, such as hamburgers, fries or ice cream.
3. Get a good night's sleep the night before.
4. Enjoy a snack in the refreshment area immediately after donating.
5. Brag about your accomplishment on your social networks. By sharing your story, you can inspire others to donate and we together can be a part of saving more lives in our community.
6. Pat yourself on the back. I'm proud of you, as are so many others.

Silly Statistic #64

Zombies are less likely to eat your brains if you donate.

David Rime

For the past 35 years I have had the privilege of serving the local community. We make most of the items we sell and do jewelry repair on the premises. In addition, we buy and sell all kinds of gold and silver coins. Our store features great selections, very reasonable prices and we always give special consideration to fellow parishioners. I am proud to be a member of the Knights of Columbus Council #9195 and a 4th Degree member of St Jude's Council #2375
