## GRAND KNIGHT'S MESSAGE

This month's message has been very challenging for me to write. I have struggled with it for over a week. I am dealing with a wide range of emotions. There just is too much going on to be able to focus on any one thing. I have too much to do and not enough time to do it in. My mind is wandering on all types of subjects, some happy and some sad. I am reaching the breaking point for getting things done before the end of this calendar year, 2016

This is the time of year that we all go bonkers running around trying to get everything done for Christmas Day and New Year's Day. Celebrating with family and friends while driving the crowded freeways to try to be on time for gatherings. No doubt it is an exercise in patience, endurance, and humility.

Likely not getting enough rest, eating too much of the wrong things, and always feeling behind the planned time schedule have a lot to do with it. What has saved me is spending time trying to bring Christmas to those who would not have Christmas without our efforts. I see many of you, your wives and families doing the same thing and that is very reassuring. I offer my sincere respect and thanks to all those who put bringing Christmas to those who would not have one at the top of their list. Doing the work of God helps ground me and brings me peace.

**RESOLUTIONS:** So with the New Year fast approaching, pondering what I can do better in 2017 is important. How can I improve my life and that of those around me? Making New Year resolutions is one of my processes for trying to do so. Many years ago, my wife started what has become a New Year's Eve family tradition of writing down individual new year resolutions on a piece of paper and putting it in a sealed envelope with your name on it. Then the following year the envelope is returned to its owner and it is reviewed. It is a private process but a shocking one at the same time. I write many of the same resolutions down every year. I make some progress but not on all of the resolutions I make. But I keep trying year after year.

**GRAND KNIGHT'S MESSAGE**

**Sir Knight Bert Millspaugh:** Our Brother Bert passed away on December 10, 2016 surrounded by his family. As many of you know, Bert brought our council Sunshine Report to be one of the most important documents we as Knights receive. Under his initiative and guidance we all became aware of fellow Knights and their family members that were ill and needed our prayers. He leaves a rich legacy and a reminder to us for taking care of each other.

**Join us to pay respect to Bert, his wife Barbara and family at: San Antonio Church.**

Rosary on Friday, January 6 at 7pm

Funeral service on Saturday, January 7 at 1pm

All Knights, dressed in dark suit or tuxedo or regalia, should arrive one half hour before to properly stage our role in the ceremony while sitting in unity with our fellow Brothers.

A potluck reception will be held in Glynn Hall immediately following the funeral service on Saturday, the 7<sup>th</sup>. Those wishing to bring a potluck plate for the reception should contact Jody Millspaugh at 714-309-6001.

Bert's desires were to have his Tuxedo and Regalia provided to a needy Knight. As a 4<sup>th</sup> Degree Knight he has chosen to have a chalice engraved with his name on it to be provided to a newly ordained priest. Another loving gesture to our religion.

**K of C Christmas Party:** Under the leadership of Brothers Ron Novello and Rick Giddens, this year's party on Saturday, December 3 was another success. Over 100 people attended and enjoyed each other's company. Santa showed up and did his magical thing. Thanks, Santa! And I extend a special thank you to the Lady Knights that did everything necessary for the party to happen. They are: Carolyn Giddens, Nina Novello, Nancy Hazzard,

Gloria Brinkman, and Rita DePaola. Ladies you are fantastic and your efforts are much appreciated.

**Red Cross Blood Drive:** Please consider donating at the Blood Drive on Thursday, January 12, from 1-8pm. We also need help staffing the check in table during the day. Contact Roland Esquivel at 714-743-7987.

**Save the date:** Along with the San Antonio Women Ministry for our next Parish Wide Italian Dinner to be held on Saturday, February 11, 5-8pm. We will be paying tribute to current First Responders in Anaheim Hills and Yorba Linda, along with all currently non-active First Responders.

**Save the dates:** Lenten Fish Fry Friday's on March 3, 10, 17, 24, 31 and April 7.

**Save yet another date:** Our council's 27<sup>th</sup> Annual Charity Golf Tournament on Monday, May 22, 2017 at Alta Vista Country Club with a noon shotgun start.

**I wish you and your families a Happy, Healthy, and Spiritually filled year in 2017.**

## RACIAL CONTRIBUTIONS OF THE ORDER

By Bob DePaola

After World War 1 saw great growth of the Knights along with the country. The Roaring Twenties as this time was referred to lasting for a short time as the country grew. During the 1920s there was growing anti-Semitism in the United States, a lingering anti-German sentiment left over from World War I, and anti-black violence was prevalent throughout the country. To combat this hostility targeted at racial and religious minorities, including Catholics, the Knights of Columbus formed a historical commission which published a series of books, among other activities. The "Knights of Columbus Racial Contributions Series" of books included three titles: The Gift of Black Folk, by W. E. B. Du Bois, The Jews in the Making of America by George Cohen, and The Germans in the Making of America by Frederick Schrade

All black college students in Memphis, Tenn., attend classes at a K of C-sponsored education program following WW I

In 1924, the Knights of Columbus commissioned and published a groundbreaking book by civil rights pioneer W.E.B. DuBois that promoted racial equality and documented the varied contributions of African Americans. The Knights, were ahead of its time because "the ideal 'that all men are created equal' was more a philosophical statement than a practical reality for millions."

October 29, 1929, The Wall Street Crash, Black Tuesday, The Great Crash, The Stock Market Crash 29, or The Great Depression, no matter what it was called, it initially had a detrimental effect on the Order's membership and finances, but it also led to a renewed sense of volunteer service. The crash brought the Roaring Twenties to a shuddering halt. The crash marked the beginning of widespread and long-lasting consequences. Over the next several years, consumer spending and investment dropped, causing steep declines in industrial output and rising levels of unemployment as failing companies laid off workers. Membership dropped off considerably in the early 1930's. It was pay your dues to belong to the order or put food on the table. Man were out of work by the millions. Some abandoned their families and took to the road the rails looking for greener pastures. Most never came back the family they left, abandoning them to fend for themselves. Banks were failing by the thousands and with them they took the savings with them. No government guarantees existed at that time. The money the average person put in the bank was now going.

Some councils opened soup kitchens to feed the hungry. Others gather food from abandoned farms and distributed what they could. It was not until the success of an extensive membership campaign in 1935, titled Mobilization for Catholic Action, led to the establishment of the Order's Service Department, which subsequently launched a "Five-Point Program of Progress." The program encouraged councils to play a more active role in the

### Financial Secretary Report: Tony Giusiana

Tony was not present, however Frank Smaldino gave the following report. The treasury is just fine. We are in the process of sending out cards to those members who have not paid their dues as yet and we are currently in the process of tallying up all the volunteer hours our council did for the last calendar year. Bob DePaola suggested we do what we have in the past which was to ask each member to supply the hours they worked and total it up that way. Frank said that most members will not respond to the request. Bob reiterated that those that do is just that much less work Tony has to do.

### Financial Secretary: Rick Giddens

Rick reported the council is solvent. For copies of the accounting please see him for additional information.

Following donations were made in December:

GHH -- \$750 in Walmart Gift Cards.

13<sup>th</sup> MEU -- \$500 in Target Gift Cards.

Family Assistance -- \$750 in Target Gift Cards.

Youth Ministry -- \$500 in K of C Check.

Christmas is for Families -- \$4,650 raised as donations from the Knights to help seven families.

### Advocate report: Bob DePaola

Reminded the members that to approve an item their must first be a motion made than discussion and finally a motion to vote and that needs to be seconded prior to vote of all members present.

**Mary's Shelter:** Everything is ok.

### Fundraisers:

**Recycle Saturday:** \$350.00 was raised this month, however Henry Garrido reported he has been told by church maintenance that the bags put in the storage area have disappearing. We are now looking for a more secure location to store any extra bags of recycled materials so they will not be stolen. The next date for recycling will be January 7<sup>th</sup> from 8am to 10am. Mark Thornburg volunteered his stake bed truck to transport the bags to the recycling center. So far we have Verg Bascos, Joe Perez, Walter DeWeese and Henry Garrido running the event. The collection goes on rain or shine. Frank suggested they use the Knights pop-up at the event.

Rick Giddens said the 4<sup>th</sup> Degree council does not have the \$300.00 to buy the chalice. As a matter of fact they only have \$10.00 in that account. Frank made a motion that this council pay for Bert's chalice. Gary second the motion. The motion was carried unanimously.

**Bert's family has requested in lieu of flowers Bert would have wanted donation's made in his name to Council #9195.**

### New Business:

We will be manning tables in front of church for the next few months for the January blood drive, the parish wide Italian dinner and the Fish Fries coming up.

**Telephone Tree:** Frank requested we have Tony DePaola give each of us 10 members names to call prior to each event and that we call the same persons each month. He refers to it as an ownership of their portion of the list.

**Parish Italian dinner:** The next fundraiser is scheduled for Saturday, 2/11/2017. San Antonio Woman's group has requested to assist in serving at the event. This event will be to pay tribute to First Responders. The Knights will cook and Women serve. The 5pm mass will be a tribute to them. The dinner to be held in Glynn Hall. First Responders and families eat free.

Considerations for price increases. Tables will be numbered for identification. Dinner prices may be increased to \$10.00 for adults and \$5.00 for children under 12.

**Fish Fry's:** A total of 6 fundraisers are scheduled with 5 Fridays in the month of March 2017, for 1 Friday for the month of April 2017. Gary Richens suggested we look into including Zucchini and/or Onion rings in addition to the French fries. Mark Thornburg suggested we invite the members of Hephatha Lutheran Church to attend the FF. A planning meeting will be held in January to start planning the logistics of the event.

**Visiting the sick:** We need to do more and the board is open to suggestions.

**Golf Tournament:** The 27<sup>th</sup> Annual Golf Tournament will be held on May 22<sup>nd</sup> 2017. Last year's joint venture with St Martins was a successes. The golf committee has suggested they do it again, except this year we expand upon it by asking other council's to assist in the event. Some of the local councils are too small to run their own. In doing so we will share in the profits with us doing most of the work will get

# St. Joseph Pediatric Dialysis

By Jack O'Connor

On Saturday December 10th, the St Joseph pediatric dialysis unit hosted a Christmas party for the children currently undergoing dialysis. Children who have had a kidney transplant were also invited back to join the holiday festivities. Parents and relatives were also invited. Overall about 125 people attended.

Our council supported this annual party by helping with the setup and teardown as well as buying 30 pizzas to go with the salad and sherbet. Everyone had a great time and of course Santa was the big hit.

## Mary's Kitchen

Brother Knights- Mary's kitchen is badly in need of towels- both bath towels and hand towels. If you have any towels that you would like to donate, you

can bring them to the monthly meeting on 4 January or drop them at the religious education building. If you drop the towels, please send me an e-mail so I know to go by and pick them up.

Thank you all for your continuing support of our outreach programs.

# January Blood Drive

By Roland Esquivel

January's blood drive is one we often have low turnout due to just getting over all the holidays. Hopefully, everyone got what they wanted for Christmas. This is our opportunity to give a special gift to someone we don't even know. How special would that be?

Please consider donating or volunteering for this upcoming drive. Better yet, draft a volunteer from friends or family to make this a successful drive. As the Red Cross see's our numbers increase and stay high, they will in turn provide more staffing to the drive so we all end up getting through the process quicker.

If you plan on donating, please consider going to the Red Cross web site and use the rapid pass. You have to do this on the day of the drive only. But once you answer the Red Cross screening questions you can either print out or show the nurse your online receipt and it will really speed up the process.

At the time of this article, we have about 40% of our scheduled appointment goal. So please signup online to get an appointment. Even if you don't know when you can make it to the drive, an appointment lets the Red Cross know how donors to plan for. As always, we will be taking signups after mass on the weekend of January 7<sup>th</sup> and 8<sup>th</sup>.

Hope to see everyone on Thursday, January 12, 2017. To get scheduled or volunteer, contact Roland Esquivel at [rolandandbritt@msn.com](mailto:rolandandbritt@msn.com) or call 714-743-7987.

## KNIGHT'S ENLIGHTENING

## Growth is Our Primary Responsibility

By Bob DePaola

At a recent meeting Supreme Knight Carl Anderson told the gathered "Our responsibility is to assure the continued growth and sustainability of our Order. This is our first and primary responsibility".

"While we have other goals and activities that are necessary, no other task is sufficient to advance the Good of the Order, if we do not advance membership growth. Everything we do depends upon membership,"

Today there is a challenge that has to be met, he continued. Supreme Knight Anderson pointed out that the Knights of Columbus must recruit younger men and fathers of young families. Our councils need to emphasize programs more relevant to families with young children and we need to use recruitment tools that rely upon enhanced Internet and web-based connectivity he said.

It is necessary, to recruit younger members in ways that respect the more limited time they have to dedicate to volunteer activities and to schedule council activities in ways that respond to the more limited time young fathers have to participate in activities outside the home.

To help train our council's officers and make volunteer efforts more efficient, the Knights of Columbus has developed the Fraternal Training Portal. These training program include information on promoting fraternal leadership skills, and instill organizational awareness of the vision of our founder and the legacy mission. Training will be available for current officers over the coming months.

He went on to say, "Our building the domestic church while strengthening our parish initiative combines two great traditions of the Knights of Columbus: building up Catholic family life and strengthening parish life,"

Some of these programs will help make our parishes more family friendly, especially for young families. The Family Fully Alive program includes monthly themes, meditations, Scripture readings and activities for the whole family. It is a program for all families, but it is designed especially for young families. It can help families that need new ways to bring the light of the Gospel into their homes.

His message goes on, but it must be noted that it is the responsibility of every Knight to at least attempt to recruit one new knight. Also to set our focus on the younger men of this parish.

## Happenings in November

By Frank Smaldino

On December 3<sup>rd</sup> our council's Knights of Columbus Christmas Party started off the month in grand fashion. Glynn Hall was transformed into a winter wonderland by our Lady Knights, and over 100 people enjoyed the fellowship, the Christmas cheer sung by the Orange High School Choir, and Santa Claus's visit.

See "Happenings in November"; continued on page 13

# Happenings in November

Continued from page 12

Below was a pizza, which was supposed to be fed to the Youth Ministry volunteers at the Christmas Party, but as you can see Mark Thornberg and I are

demonstrating what leaving it in the oven for three hours will do. The incident is under investigation and the culprit still has not been apprehended. It is believed that the perpetrator was last seen wearing a short sleeve purple sweater, had antlers and was

wearing a blue Knights of Columbus wrist band while posing as a Grand Knight.

On Saturday, December 10, a chosen few Knights descended on the trash and recycle cans in Glynn

Hall and pressure washed them clean. Thank you to Henry Garrido and Jim "Machine Gun" Kelly for their help on this much needed project. Also, thanks to Paul McHenry for the use of his pressure washer.

For the afternoon of Saturday, December 17, a number of our Knights sang in the Choir Concert in San Antonio Church. Bernie Fernandez, Leo Tomondong, and Rick Melendres helped put out the mellow sounds at this Christmas celebration.

On Tuesday evening, the 20<sup>th</sup> we had a particularly long (just under 2 hours) Officers Meeting in Conference Room #1. We had a surprise visit from Father John, who brought us all good cheer. The meeting was most productive as we planned out | clarified all the major fundraisers to occur in the January and June, 2017 timetable. It will be a busy time with a Red Cross Blood Drive in January; a Parish Wide Italian Dinner in February Lenten Fish Fry's on every Friday in March and ending on April 7; 27<sup>th</sup> Annual Charity Golf Tournament in May; and a Parish Wide Pancake Breakfast in June. I want to thank the Officers for hanging in there with me for this meeting. We have a lot going on that needs planning and I want to be sure I keep everyone informed.

I welcome you all to join in and volunteer to support these events. It is going to be a fun ride.

### New Business (Cont.):

the majority and the other councils would share equal to the amount of member's they get to attend the event. Our share would be no less than 50% of the total profits seeing we are running the event. A maximum of 144 golfers will take part in the event.

### Old Business:

**Knights Christmas party:** Rick Giddens reported the party which was scheduled for December 3<sup>rd</sup> was a great success. The party was scheduled in lieu of the December General council meeting.

**Blood Drive:** Roland Esquivel reported the next blood drive is scheduled for 1/12/2017. The goal will be for 100 units to be collected. He requested assistance to man the sign-up table in front of the church during masses.

**Kitchen remodel:** Father John popped in to inform us the remodel of the bar area is moving along. Work is scheduled to start in mid-January in the bar area. A portion of the cabinets will be removed to accommodate a 48-52" wide double sliding door beverage cooler, and a kegerator. In addition a hole will be cut into the top of the remaining counter top to allow a trash can to be placed under the counter. The floor will be resurfaced and sloped towards the drain. The door will be cut in half as in a Dutch door and the bottom will be raised to clear the rubber floor mats.

**Donut Sundays** (two teams needed each Sunday) for Feb. 19, 2017 & June 18, 2017. 2 teams of 2 are needed.

Brother Rick Giddens wrote: Please keep our son, David Rosencrantz, in your prayers. He had neck surgery on Thursday the 27th.

Surgery was scheduled for 8 hours to correct a previous surgery which did not heal properly. They will go in thru the front and then roll him over and go in thru the back to make the necessary corrections.

Brother Jack Rock wrote: "My nephew 53 yrs. old died heart attack need prayers. Please keep him and his family in your prayers."

Brother Ron Novello Wrote, "Please keep Nina in your prayers: Nina had a successful neck fusion 2 months ago which relieved some of her pain. She still suffers back pain and continues to need a cane. She will be having a back fusion after the holidays to relieve her lower back pain.

Brother Bob DePaola requested prayers for his grandson Scott, who is seriously ill, his Mother Dana wrote, "The doctors at The Mayo Clinic went over all the lab tests and x-rays. The consensus is they are going to continue treating him with MS meds. Also, the surgery behind the left eye was a failure. He is

now totally blind in that eye now and has only one eight in his sight in his right eye. They say he will more than likely be totally blind in about a month. So please pray."

Brother Bob De Paola is being treated for a lower back condition affecting his activity level due to severe pain requiring chiropractic attention. Brother Bob also requests prayers for his wife Rita. He took her to the emergency room with chest pains and a rapid heartbeat. After 7 ½ hours in ER they were able to reduce her heart beat from 160 plus beats a minute closer to the normal of 60 a minute. She was admitted to the hospital for observation for 3 days. They finally determined she was suffering from pancreatitis. It seems the pancreas was inflamed pushing up interfering with the normal operation of the heart. She is now home resting. She is on a new medication that makes her sleepy.

Brother Ron Conser wrote: "My friends and co-workers Paul and Kathy Jansen son Jacob was diagnosed with a brain tumor. As of right now they have to wait on test results before they can schedule surgery. The surgeons are planning on a surgery to remove a small amount of the tumor that they can safely reached, as the location of the tumor is not in a very accessible area of the brain. The piece they are attempting to remove will hopefully relieve pressure to the brainstem as well as provide a sample for further testing. The Jansen's are wonderful Christians.

Update on the surgery, the first surgery was a success and Jacob is almost back to his normal self, but that is just the start. The surgeons advised if they do nothing with Jacob, he might have 6 months to live in his current progression..., so intervention is defiantly needed. Further surgery is not the option as it will leave Jacob in a vegetative state and after a year of therapy may gain 70% function. The last option is Radiation and Chemo. He will start his radiation and chemo within a couple days. His initial course of treatment with the radiation is 5 days a week for 6 weeks. They will do an MRI thereafter to verify effectiveness of the treatment, and start Chemo.

Father John wrote: Thank You to all for your Healing Prayers. The projected time to heal from my surgery is 12 – 18 months. I am 6 months into the healing process and pain free. But as you can see that I have a long way to go. As long as I move slow, and do not lift anything heavy I am fine-Rays are taken every 3 months. The bones in my neck are slowly fusing together.

Jack Abajian wrote, "I would like to thank you all my Brothers and families for all your continued Prayers for me and my family. It was great seeing some of our Brothers and wife's today at Church. It was a Blessing; I would truly appreciate your continuous Prayers for me and my family - Father (Michel), my sister (Marie). Please keep Toni (my lovely lady) in your Prayers as well.

PGK Brother Maurice McCaughn's wife Laverne had successful lung surgery, the Docs said they got it all, she is resting at home. She needs our prayers.

Brother Keith Carden has a condition known as ME/CFS (Chronic Fatigue System). He says, "I'm trying my best to stay positive. The first drug, ever, for Myalgic Encephalomyelitis," Chronic Fatigue Syndrome" has been approved by the Argentina government. It's called Ampligen. I guess I have to go live in Argentina. Thanks for the prayers guys.

I received word this morning from the Millspaugh family that our Brother, Sir Knight Bert Millspaugh, passed away at 1:30am. Services are to be held at San Antonio Church on Saturday, January 7, 2017. See Officer meeting minutes for exact times and location.

Brother Don Davis's wife Gwen Davis is home recovering from a broken wrist and subsequent

required surgery. She has now recovered and is in rehab. Please keep her in your prayers.

Brother Pete DePaola had open heart surgery where a valve was replaced and some stents inserted. His surgery was successful and is presently recovering. Please include all these people in your prayers.

Brother Phil Ramos wrote: "I had two hip replacement surgeries - my left in June and my right in September. Both went well I should be able to walk without cane in February.

Please pray for my wife, Eloise. She has been confined to a wheel chair going on 9 months now due to a fractured knee. We hope it will be healed by January. We just celebrated our 50th Year Wedding Anniversary - December 18th.

life of the local parish and community, and included five categories: Catholic activity, council activity, fraternal protection, publicity and maintenance of manpower.

Cardinal Eugenio Pacelli, Vatican secretary of state (later Pope Pius XII), visits the Supreme Council office in New Haven, Oct. 13, 1936.

In 1932 in an effort to highlight the 50<sup>th</sup> Anniversary is celebrated with Commemoration Week, June 24-30, 1932. Among the highlights is the unveiling in Washington, D.C. of a statue of Cardinal James Gibbons, an early supporter of the Knights who had ordained Father McGivney.

Also in the early 1930s, violent persecution resurfaced in Mexico, prompting the Order's leadership to strongly urge the U.S. government to take action. Mexicans were often imprisoned for wearing religious items, in public, or for even questioning the laws. Public worship was a crime punishable by hanging or firing squad. For over 70 years during the 20th century the Catholic Church was actually outlawed not allowed to own property, run schools, convents or monasteries, have more than a certain number of priests (and no foreign priests), nor defend itself publicly or in the courts. It was hardly allowed to exist. Tensions in Mexico eventually eased in 1937, but the threat of atheistic communism was growing in Europe as well. On July 8, 1935, Supreme Knight Martin Carmody and other K of C officials meet with President Franklin D. Roosevelt about the ongoing situation in Mexico. In response, the Knights organized anti-communist rallies in early 1937. When Pope Pius XI's encyclical on the subject, *Divini Redemptoris*, was released in March of that year, the Order printed and distributed a million copies. The Knights also sponsored a new lecture tour and expanded its anti-communism program to include a Crusade for Social Justice. "Injustice to man is the seed of communistic growth," Supreme Knight Martin Carmody said. "With Truth and Charity as your weapons, go forth as a Crusade."

Less than two weeks after World War II is declared on September 1, 1939, the Canadian Knights established a welfare program for soldiers comparable to the KC huts program that operated during World War I. Within a year, Canadian Knights raise nearly \$250,000 to support troops.

**RESPECTING LIFE**

By Michael Cushing, MD

Have you ever wondered what it might be like to be an active part of history? To be a part of something bigger than you, something that stands out from the day-to-day routines of life?

We are entering a phase in our country's history in which those who seek to end life are trying to gain the upper hand. We are at a crossroads in history, a time where life has been cheapened in the name of "personal choice", of "freedoms" that are actually chains that prevent us from being the best people we can be.

Most of you are aware of the recent legislation signed by Governor Jerry Brown (a purported Catholic) that allows doctors (and, ultimately, other health care personnel such as nurses, physician assistants and nurse practitioners) to prescribe drugs with the intent and purpose of helping people to kill themselves.

One of the most infamous decisions, exactly like the one we face today, occurred in Nazi Germany in the 1930's. It was a decision to kill people who were deemed "life unworthy of life". This included Down's patients (called mongoloids at that time); the mentally handicapped and those with chronic, debilitating illnesses.

Today, the culture of death has cleared another milestone on the pathway to indiscriminate euthanasia- the idea that each of us has the right to decide to kill ourselves, and the right to demand that health care personnel be allowed to "assist" in this killing.

This is a perverse contradiction of the role of physicians and other medical personnel. This is exactly what the Nazis did during the 1930's-'40's. Physicians were given the role of deciding who was to live and who should die, based on their value to the Nazi state. Human life was objectified, demeaned to the level of mere animals, to be euthanized as necessary to maintain the "health and purity" of the Nazi state. The Nazis pushing these ideas felt that the infirm, the chronically ill, the mentally disabled were a BURDEN

to the state and to the society around them. Does this sound familiar? Today, people who are aging, facing terminal cancer or other illnesses, are encouraged to think of themselves as a "burden", and that seeking a premature termination of their lives is really "OK".

Think of it. The cost of health care, the physical and emotional burden posed by those conditions described above, is leading to a similar rationale that the Nazis used. Imagine the financial strain on the insurance companies as the Boomers get older. The federal government is broke and Medicare is going further into debt. What better way to get rid of people, to convince them that they are a burden, that suicide is the "way out"?

Our Church teaches that each of us is a temple to the Holy Spirit, that each of us has inherent value in the eyes of God. When we become ill or disabled, we become a part of the experience of sacrifice and of giving. When we suffer, we become the person receiving the love and attention of those around us seeking to gain God's grace and love. Mother Theresa was a beautiful example of this type of love, AGAPE love.

The suffering individual is giving his pain to God and to those around him, in the hopes of regaining his health and freedom from pain and suffering.

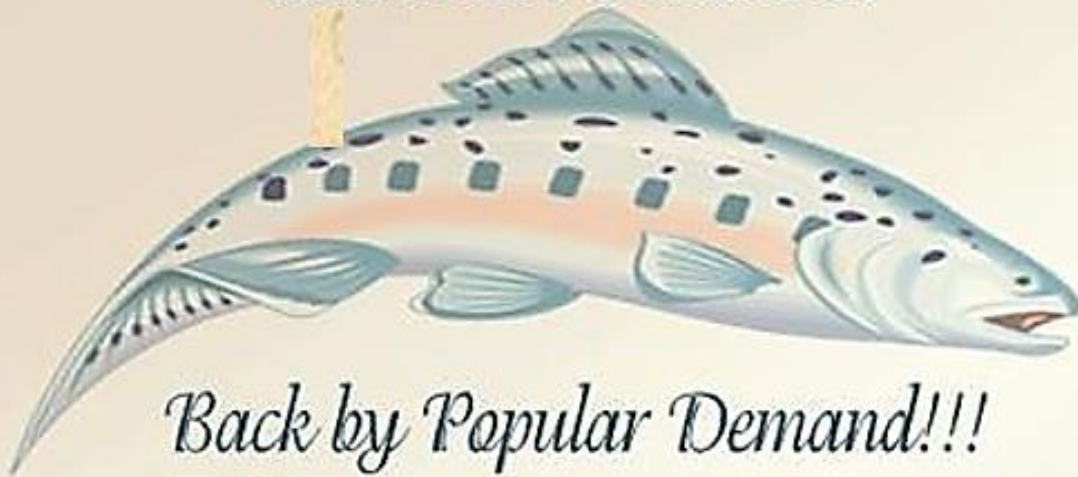

For our society to assist in the killing of those who suffer, in a supposed compassionate action, is to surrender to the evil one, to support a concept that active killing is really a good, and not the intrinsic evil that it really is.

I want to encourage ALL OF MY FELLOW KNIGHTS to join together at the OneLifeLA Walk to be held in downtown Los Angeles on Saturday, January 21, 2017. The link for this is <http://onelifela.org>

Remember that respecting life, loving life goes across the life spectrum, from the moment each of us was conceived until each of us dies a natural death. Don't EVER consider yourself a burden when you suffer. Each of us, when we suffer, can help those around us to find favor with God and be redeemed.
