## GRAND KNIGHT'S MESSAGE

As a child growing up I wanted to either be a policeman or a firemen. When I was in grammar school, I can remember walking to school and going by a fire station and how exciting it was to see the big red fire engines parked out front. The firemen on duty were always very available and would talk to my buddies and me. Of course we only saw the fun side of what they did.

Also, TV programs like "Dragnet" with Sergeant Joe Friday (old badge # 714) played by Jack Webb and "Highway Patrol" with Police chief Dan Mathews played by Broderick Crawford (Both programs on the small screen in black and white) helped spike my interest in becoming a policeman.

In the final analysis, I fell into the path that I learned from Soupy Sales (a comedian from the early 1960's) and ultimately became a Grand Knight with a bunch of great and funny jokes.

Seriously, we are fortunate to live in a community where we have First Responders that focus on our protection, safety and wellbeing. Thus came about the impetus to convey our gratitude to those who serve us in difficult and dangerous times. We owe them much and by joining in the tribute to them we can convey our gratitude to these men and women who step forward to protect and care for us.

Join us on Saturday, **February 11 for the Parish Italian**

**Dinner** where we as Knights, jointly with the San Antonio Women's, will pay a tribute of gratitude to both current and past First Responders.

## GRAND KNIGHT'S MESSAGE

Continued from page 1

With what seems like never ending waves of rain storms over the last few weeks, we thankfully are increasing our water reserves. I drove by a fire station recently and did a double take. Fire hazard as "Low" is a very unusually sign to see here in Southern California.

Our council officers are ready to charge into the second half of this Columbian year with an Italian Dinner (February 11) and Six Lenten Fish Fry's (March 3 to April 7) and our Annual Charity Golf Tournament (May 22) and one Sunday morning Pancake Breakfast (June 11). **There will be a table outside of church at the next two weekend masses for you to sign up to register to attend and work these fundraiser events.** I invite you to be a first responder for the Knights events.

I wish to thank all those Knights and their families that attended on January 6 & 7 the rosary vigil and funeral mass, paying our respects to Brother Sir Knight Bert Millspaugh and his family. I have received numerous thank you cards from Bert's family showing their appreciation for our attendance and participation in his services. Our council officers have voted to add Bert's name to the title of our monthly "Sunshine Report" (a report that Bert initiated as its original Sunshine Chair).

Message to Brother Bert, "You left us a legacy that we hope to live to and we will remember your contributions in our efforts to serve the needy."

When given the opportunity, please take a moment to express your gratitude to our community First Responders. God Bless them and their families.

Frank Smaldino

## Deputy Grand Knight's Message

Dear Brothers, hope you all had a great holiday season and that your new year is going well.

I want to express my thanks to all members that attended the services for Brother Bert it was another strong show of our council unity.

A special thanks to Curt Horner and the color guard for their efforts before and during the ceremony, and also to our Grand Knight for his role in the ceremony, I was very touched by his dignity and poise.

We are having our next Italian dinner night coming up on February 11<sup>th</sup> and we will need help. I will be asking for sign ups after we have our organizational meeting. The same goes for our 6 fish fry's coming up in March & April.

I am seeking members to be part of our officer's slate for the next Columbian year, we need a member to step up to be our next Chancellor. If anyone is interested please contact me.

# CLOUDS OF WAR

By Bob DePaola

Our country was just starting to recover from the great depression of the 1930's and early 40's. The Knights worked diligently aiding those less fortunate.

Many organizations opened and supported soup kitchens. Most churches did as much as they could.

This soup kitchen was sponsored by Al Capone.

At the outset of the Depression, Al Capone, the notorious gangster from Chicago, established the first soup kitchen. He started it because he wanted to clean up his shady image. Capone's kitchen served three meals a day to ensure that everyone who had lost a job could get a meal.

All during the late 1920's & 30's the Knights of Columbus worked with then President Coolidge in assisting to stop the persecution of Catholics in Mexico by sending the American ambassador to Mexico to intervene during Cristero rebellion. It was not until more than 90,000 Mexicans had died that Dwight Marrow US Ambassador to Mexico was able to broker a truce between the warring factions.

Religious precaution continued into early 1940's when the newly elected Mexican president agreed to stop hostilities in exchange for the Church's efforts to maintain peace, to non-enforcement of most of the anticlerical provisions, an exception being, which deprived the Church of the speeches,

the right to vote, and the right of free political association.

The postwar years saw a membership boom for the Order in the Philippines. Jesuit Father George J. Willmann envisioned the Knights as the premiere lay society in the Philippines and set about establishing new councils and recruiting new members. He appealed to the Supreme Council in 1947 for permission to establish three new councils there and served as the country's first district deputy. By the time Supreme Knight Luke E. Hart visited Manila in 1955, the Order had expanded to include 50 Filipino councils.

War clouds were gathering over Europe and Asia. The Germans under Hitler were gaining momentum. Tito was successful in Spain and Mussolini in Italy. Hedeki Tojo in Japan was invading China and Mongolia. War was coming, but the USA had its head in the sand thinking we were safe with two big oceans between us and them. Even then the Knights were assisting our government in various ways.

Less than two weeks after war was declared between the United Kingdom, France and Germany, the Canadian Knights establish a welfare program for soldiers comparable to the KC huts program that operated during World War I. Within a year, Canadian Knights raise nearly \$250,000 to support troops.

### Advocate: Bob DePaola

Bob spoke on the dedication of the roster book. This year's dedication was to the 143 Police Officers who lost their lives in the line of duty over the past 12 months. He explained it was difficult for him being a retired Police officer himself every time he thought he had the proof ready to go to print another officer died in the line of duty. He finally ended his count at 143. However he would like to call attention to the fact that more had died and the number of officers the news media reports is skewed as they only refer to the ones who were shot. They do not take into consideration the ones who died of stabbings, bludgeoned, traffic or diseases contracted during their work. He also asked everyone that when they look at the dedication page to look at background is a collage which contains all the shoulder patch's representing each agency the officer worked for.

### Activities:

The next Clergy Night Dinner will be held on January 27<sup>th</sup>.

### Sunshine Report: Tony DePaola

Rather than Tony giving the report Frank Smaldino told the assemblage of the ceremony for Bert Millspugh's funeral. The Rosary will be held this Friday January 6<sup>th</sup> and the funeral on January 7<sup>th</sup>, reception to follow. The family has asked to bring a dish to share for the potluck. In lieu of flowers Bert requested we make a donation to the Council #9195. We then went around the room to ask for prayers for the sick. The Grand Knight led the assemblage in a prayer.

# Christmas is for Families

By Paul Helterline

The Christmas is for Families program for 2016 was great success. As a council, we were able to raise over \$4000 and were able to help 8 families. It is only through your generosity and the dedication of the volunteers that we are able to do this every year. I would like to personally thank each and every one of my brothers for helping make the 2016 program a success.

Thank you all!

# Happenings in January

By Frank Smaldino

## Isaiah House

In traditional fashion, on Tuesday December 27, our Council's Volunteer Cooking and Serving teams arrived at Isaiah House to prepare and serve a dinner for the ladies living there.

The cooking team of David Rime, Deacon Doug, Sheila Cook, Bob Murray and Cindy Murray caught in action. David took a big chance insisting that we pour a crème sauce on top of the chicken and vegetable mix. This time David hit a grand slam. The ladies loved the dinner. David you are truly a "Jewel."

# Happenings

Continued from page 10

## Isaiah House

I am sure that David Rime had nothing to do with the condition of the pan used to cook the vegetables. I think Sheila Cook knows who did this but she won't tell me.

## Mary's Kitchen

When I reported for duty as the van driver of the day at Mary's Kitchen on Thursday, January 5 I found a little creature under the van getting protection from the rain. Turns out Samson the cat, carries a lot of weight around there so I had to wait until he decided that he wanted to go somewhere else.

Taking shelter where we can find it

# January Blood Drive

By Roland Esquivel

January's blood drive received 66 donations of blood. We had a lot of signups (88) but not everyone was able to respond in the rain.

Adding to the low turnout was a Red Cross worker who got sick and had to leave. As a result, they asked us not to take walk in's. Unfortunately, a few good people got turned away.

On Thursday, January 12, we had our Red Cross blood drive in Glynn Hall. As you can see, Dick Crawford and Bob Fiorentino

are on the table.

There are a number of interesting points to see in these two pictures:

1. Both Bob and Dick are smiling.
2. Bob is giving blood. Dick is all thumbs..whoops, I mean thumbs up!
3. Dick is not giving blood yet....but he does.
4. Note your Grand Knight in the yellow shirt in the background. He is giving blood and needs something to reduce the shine on his head.
5. Best of all, note the picture on the wall, stating, "Jesus, I Trust in You." Next to it is our American Flag and next to the flag is the Red Cross emblem
6. Remember, squeeze and release every 15 seconds.

See "Blood Drive", continued on page 12

Please consider donating or volunteering for the next drive on Thursday April 20, 2017. Better yet, draft a volunteer from friends or family to make this a successful drive.

Hope to see everyone on Thursday, April 20, 2017. To get scheduled or volunteer, contact Roland Esquivel at [rolandandbritt@msn.com](mailto:rolandandbritt@msn.com) or call 714-743-7987.

## Sir Knight Bert Millspaugh

I want to thank the Knights of Columbus Color Corp for their call out at Brother Bert Millspaugh's rosary vigil and funeral mass. They brought a level of professionalism and ceremony that I am sure Bert was proud of. Also want to express my gratitude to those Knights that stood guard at the altar over Bert before the services. And thank you to those who brought a plate to the reception.

# 9<sup>th</sup> Annual Our Lady of Guadalupe Celebration

By Marcie Diaz

On October 12, 1945, Pope Pius XII, decreed Our Lady of Guadalupe to be the "Patroness of all the Americas."

Our Lady of Guadalupe had this to say to Juan Diego:

"Know for certain, least of my sons, that I am the perfect and perpetual Virgin Mary, Mother of the True God through whom everything lives, the Lord of all things near and far, the Master of heaven and earth. It is my earnest wish that a temple be built here to my honor. Here I will demonstrate, I will exhibit, I will give all my love, my compassion, my help and my protection to the people. I am your merciful mother, the merciful mother of all of you who live united in this land, and of all mankind, of all those who love me, of those who cry to me, of those who seek me, of those who have confidence in me. Here I will hear their weeping, their sorrow, and will remedy and alleviate all their multiple sufferings, necessities and misfortunes."

On December 12, 2016, we gathered for the 9th annual mass and celebration of Our Lady of Guadalupe at San Antonio de Padua church. Mass was presided by Father John Neneman and was accompanied by Deacon Paul. The celebration was full of color, lots of roses to Our Lady, people dressed in traditional outfits, the mariachi band's presentation and the presence of The Knights of Columbus to guard Our Lady and make this Eucharistic celebration a true delight.

Following the mass, we were all invited to the parish hall, where we enjoyed tamales, fruit, chips

and beverages. It was great to enjoy a meal with our fellow parishioners along with the sound of mariachi in the background. We are sincerely grateful to Father John, Deacon Paul, The Knights of Columbus, the Hispanic Ministry and all who participated and made this a wonderful annual celebration.

## KNIGHT'S ENLIGHTENING

**RESPECTING LIFE**

By Michael Cushing, MD

**Greetings, my Brother Knights!**

I want to drive home a point today.

Back in 1973, a momentous lie was delivered to the American public by the Supreme Court of the United States.

I speak of the Roe v. Wade decision, a decision creating a "right" for a woman to "legally" kill her child by elective abortion. This decision was based on the most specious of claims and lies and was a political decision.

Jump forward to 2017, and we have a different environment.

The development of the ultrasound machine has led to a realization by most rational people that the embryo/fetus is a living human being.

Genetics has proven, beyond ANY DOUBT, that the embryo/fetus is a living human being. ***Even worse, abortion proponents KNOW that abortion is killing a human being:***

[http://abort73.com/abortion/medical\\_testimony](http://abort73.com/abortion/medical_testimony)

I bring this up because I believe that much of the violence, cruelty and disparaging of human life is directly related to the abortion mentality that has had free rein for the past 45 years. The abortion mentality has been propagated by the "feminist" movement, the media and power elites promoting the unrestricted use of abortion. There are those who advocate the right of parents to kill their children up to the age of three.

This is the underlying philosophy that has led to the resurrection of the concept of "life unworthy of life". This was promulgated by the Nazi government in the 1930's and '40's. Today, this idea is offered to support physician-assisted suicide, and will be used to advocate for euthanasia. This will be done as acts of "mercy", much like the putting down of your favorite pet. "Grampa" is suffering so much from his cancer, it is an act of kindness and mercy to

euthanize him." (Or, to allow him to kill himself, courtesy of a doctor's prescription for lethal drugs)

This is now going on throughout the world, and is essentially the abortion philosophy coming full circle. I have added a link that will give you information regarding the euthanasia movement worldwide – [www.euthanasia.com](http://www.euthanasia.com).

Please take some time to learn more about these evils, then talk about it with your Families, and friends. These evils must be stopped, if only to protect ourselves from the results of this philosophy of death.

Thank you for taking your time to read this. Do some homework. Pray hard that God will help us out of this mess!!

Michael Cushing, MD

Hello, Team! I'm forwarding this info from Alicia Bausley as regards a bill, HR 7, presently in the Congress. It's a first step in stopping taxpayer dollars being used to perform abortions.

President Trump is following through on his promises, working to tear down the garbage that is Obamacare/ACA.

***The abortion industry was a major recipient of funding through the ACA.***

Please call your elected representatives in the House of Representatives TODAY!!

A bill, HR 7, is in the House of Representatives to ban the use of our tax dollars to fund abortion programs, most notably Planned Parenthood. This has been something that pro-life organizations have been waiting for, and now is the time to push forward.

***Please review these links, let your voices be heard, get in touch with your Senators and Congressmen and women, to encourage them to vote YES for HR7***

I just received the following notice from the HLA, which is the lobbying group for the USCCB.

Today we are issuing an urgent call to action: <https://www.votervoice.net/BroadcastLinks/j8OGSGlclV6OrKKXcfxHUQ> on H.R. 7, The No Taxpayer

Yesterday marked the 44th anniversary of the deadly Roe v. Wade decision. Yet, even while we mourn the lives lost and hearts broken by legal abortion we can recommit ourselves to building a culture of life where everyone is welcomed in love and protected in law. We must, and together we will, continue to advocate for public policy that protects life and liberty.

Please watch for another notice from Human Life Action tomorrow when I will write to share with you the exciting details of our 2017 youth outreach efforts for pilgrims to the March for Life, #USBishopsforLife!

Until then, thank you for standing with us and for all you do for the cause of life. Together we will be heard!

### Knights Eulogy for Sir Knight Bert Millspaugh Saturday, January 7, 2017

Bert Millspaugh is my brother.

Bert was a man of action.

Bert is a member of the Knights of Columbus here at San Antonio Church.

As Knights, we stand firm for our love of God, our support for and belief of our Catholic Religion, our Pope, Bishops and Priests.

There are four degrees to being a Knight, each with a principle the Knight vows to God to live by.

The first principle is **Charity**, which is to serve the needy. The second principle is **Unity**, which is to support one another as we work to make life better in our parish and community.

The third principle is **Fraternity**, which is to watch out for and take care of one another.

The fourth principle is **Patriotism** at which the Knight vows our devotion to God and country.

When the 4<sup>th</sup> degree is attained, the Knight carries the title of Sir Knight and wears a Tuxedo and baldric. An option is to also become a member of the Color Corp and wear the Regalia of cape, chapeau, and sword. On the altar are Bert's Tuxedo and Regalia, which he has asked be passed on to a needy Knight who will become a member of the 4<sup>th</sup> degree Color Corp.

Bert took these vowed principles and used his creativity and initiative to monitor and manage the health of our Knights and their family members by publishing a "Sunshine Report." It became the method that informs us of who is in need of our prayers, who to help, and who to care for.

In many ways by his service to the Knights he became our sunshine.

Would all the Knights in attendance, please stand.

Final Prayer:

Sir Knight Bert Millspaugh, you inspired us with your kindness and caring. We appreciate and love you. We offer our respect to you and your family. You served us well, dear brother. God Bless you.

# CLOUDS OF WAR

Continued from page 6

The headline that shook all of America to its roots. **“OAHU BOMBED, WAR WITH JAPAN”** In doing so, so did the Knights. Unknown to many, the Knights of Columbus like many other organization during this prewar time as it was referred to were working hard to help prepare the USA in its time on need. Now was the time to come together as a nation and work for one cause. **“Freedom”**

When the U.S. enters World War II, the Order's outreach to soldiers was conducted by the National Catholic Community Service organization. The NCCS models many of its programs on the Order's successful WWI efforts.

As we covered early on in this series when we learned of the Committee on War Activities- Knights of Columbus (In 1940 renamed National Catholic Community Service) during World War 1 started the Casey's Clubhouses throughout the US & Europe. President Roosevelt asked Mary Ingraham to develop a USO modeled after these Casey's of WW1. This request brought together six civilian organizations: the Salvation Army, Young Men's Christian Association (YMCA), Young Women's Christian Association (YWCA), National Catholic Community Service, National Travelers Aid Association and the National Jewish Welfare Board. They were brought together under one umbrella to support U.S. troops

By the time Pearl Harbor was attacked and the United States entered World War II in 1941, a K of C welfare program for servicemen had been well established by Canadian Knights. In the United States, the Order's outreach to soldiers was conducted through the National Catholic Community Service organization, which itself modeled many of its programs on the Knights' war efforts.

All during the war several K of C councils ran or supported and at times organized blood drives under the direction of the American Red Cross.

Supreme Knight Francis Matthews was chairman of the Executive Committee of the National Catholic Community Service and its representative on the USO board of directors. Materials relating to the Knights of Columbus Peace Program in the United States, the Order's outreach to soldiers was conducted through the National Catholic Community Service organization.

Towards the end of World War II the Supreme Convention in 1944, the Order established a \$1 million trust fund for the children of members who died or became disabled in World War II, years before the Veterans Administration had started any such assistance for dependents. Following the end of the war in 1945, the Order turned its attention to the growing threats of communism and fascism. To combat these dangers, the Knights pasted initiatives to authorize funding for full-page advertisements in 12 major U.S. newspapers and five Canadian papers highlighting the dangers of communism. The ad offered a free copy of Msgr. Fulton J. Sheen's pamphlet, **“Communism, the Opium of the People”**. In 1946 The Knights also launched the Crusade for the Preservation and Promotion of American Ideals, which published books and pamphlets to educate the public on **“The perils of communism.”** Educational pamphlets on communism and the dangers of secularism were published and distributed. By August 1948, there are more than 1,300 K of C discussion groups. Several hundred radio stations broadcasted K of C sponsored programs with the titles **“Safeguards of America”** and **“Foundations of Our American Ideals.”**

## KNIGHT'S ENLIGHTENING

By Tony DePaola

***Dear Jesus, Divine Physician and Healer of the sick, we turn to you in this time of illness. We place our sick under your care and humbly ask that you restore all your servants to health again. Above all, grant us the grace to acknowledge your will and know that whatever you do, you do for the love of us. Amen.***

#### **Brother Knights;**

Please keep the following knights and their families in your thoughts and prayers. Please email or call Brother Tony DePaola for any updates.

Brother Keith Carden wrote: "Please pray for my stepson Ralph Heiss, He has lost 3/4 of Liver function and prognosis is not good. If he makes it out of the hospital, he only has about one year left to be in his body."

Please keep Brother Bob Waligore in your Prayers, He had been rushed to the hospital last month with a Congestive heart condition. He attended the last dinner meeting with his sister MaryLou and said he is now doing fine. Brother Bob's birthday was January 14<sup>th</sup>, he is 95 (or 96) and was aboard a minesweeper in the Pacific at the end of WW 2.

Brother Mark Brewster has a scheduled visit with his surgeon, he is contemplating back surgery.

Brother Paul Ramos wrote: I had two hip replacement surgeries - my left in June and my right in September. Both went well I should be able to walk without cane in February.

Please pray for my wife, Eloise. She has been confined to a wheel chair going on 9 months now due to a fractured knee. We hope it will be healed by January. We just celebrated our 50th Year Wedding Anniversary - December 18th.

Brother Rick Giddens wrote: Please keep our son, David Rosencrantz, in your prayers. He had neck surgery on Thursday the 27th.

Surgery was scheduled for 8 hours to correct a previous surgery which did not heal properly. They will go in thru the front and then roll him over and go in thru the back to make the necessary corrections.

Brother Jack Rock wrote: "My nephew 53 yrs. old died heart attack need prayers. Please keep him and his family in your prayers."

Brother Ron Novello Wrote, "Please keep Nina in your prayers: Nina had a successful neck fusion 2 months ago which relieved some of her pain. She still suffers back pain and continues to need a cane. She will be having a back fusion after the holidays to relieve her lower back pain.

Brother Bob DePaola requested prayers for his grandson Scott, who is seriously ill, his Mother Dana wrote, "The doctors at The Mayo Clinic went over all the lab tests and x-rays. The consensus is they are going to continue treating him with MS meds. Also, the surgery behind the left eye was a failure. He is now totally blind in that eye now and has only one eight in his sight in his right eye. He will more than likely be totally blind in about a month. Brother Bob also requests prayers for his wife Rita. She was in the emergency room with chest pains and a rapid heartbeat. After 7 ½ hours of extensive observation they determined it was pancreatitis. She is on new medications that makes her sleepy.

Brother Ron Conser wrote: "My friends and co-workers Paul and Kathy Jansen son Jacob was diagnosed with a brain tumor, Thank you and my Brothers for your loving prayers. Jacob is still in the thick of it and on to the next stage in 2017. I have copied the update from my friend Paul, Jacob's dad. Please keep on praying..... Jacob Jansen has completed his radiation treatments on the 20th. The Dr.'s Nurses, technicians etc... were so wonderful. They signed his head mask, gave him a certificate of completion, and gave him a card with a gift card inside.

See "Sunshine Report"; continued on page 19

## Sunshine Report

Continued from page 18

It is awesome to see people making something good out of a bad situation. Jacob Jansen is doing so very good, he still uses a cane, and cannot quite finger pick yet, but we didn't even know if he would ever regain anything. We are happy and blessed that the timing worked out to give us a Christmas off for treatments and stuff. Although it is still an urgent matter as we were recently told that it is stage 4. The break is because the radiation keeps working like 4 weeks. He will have an MRI, blood and other tests done mid-January then we see the Dr. the end of January to see the results. Then we will know what's next, by how much of the tumor is left. Prayerfully it will be small enough, (or gone), for chemo alone, if not we may be looking at a surgery. For now we are just going to have a wonderful Christmas, celebrating God's love gift to the world.

Father John wrote: Thank You to all for your Healing Prayers. The projected time to heal from my surgery is 12 – 18 months. I am 6 months into the healing process and pain free. But as you can see that I have a long way to go. As long as I move slow, and do not lift anything heavy I am fine-Rays are taken every 3 months. The bones in my neck are slowly fusing together.

Jack Abajian wrote, "I would like to thank you all my Brothers and families for all your continued Prayers for me and my family. It was great seeing some of our Brothers and wife's today at Church. It was a Blessing; I would truly appreciate your continuous Prayers for me and my family - Father (Michel), my sister (Marie). Please keep Toni (my lovely lady) in your Prayers as well.

PGK Brother Maurice McCaughn's wife Laverne had successful lung surgery, the Docs said they got it all, she is resting at home. She needs our prayers.

Brother Keith Carden has a condition known as ME/CFS (Chronic Fatigue System). He says, "I'm

trying my best to stay positive. The first drug, ever, for Myalgic Encephalomyelitis," Chronic Fatigue Syndrome" has been approved by the Argentina government. It's called Ampligen. I guess I have to go live in Argentina. Thanks for the prayers guys.

Brother Don Davis's wife Gwen Davis is home recovering from a broken wrist and subsequent required surgery. She has now recovered and is in rehab. Please keep her in your prayers.

Brother Tony Witkay wrote: Marie is doing pretty well as long as she takes her meds when she is supposed to. She still gets tired very easily but keeps going. She can always use prayers. Thanks for thinking of her. God bless.

Brother Ron Novello wrote: We met with the surgeon, Dr. Deckey, today and scheduled Nina's back fusion for March 13th. This surgeon did a neck fusion In Oct which she has recovered well from. Her vertebrae are fractured from osteoporosis and a previous fall at work. Her body leans to one side and she is in constant pain. She is walking with a cane. This is a major surgery, lasting 5 hours, to install a rod down her spinal column and install hardware to the rod from her vertebrae. The surgeon will do incisions on her side and lower back. She will spend 3 or 4 days in the hospital followed by 2 weeks in a rehab facility and will need about 3 or 4 months to recover. The surgeon is confident of the outcome and Nina is her usual upbeat self. Please keep her in your prayers.

Please include all these in your prayers. We wish all of our members a speedy recovery and a healthy year. If I have missed anyone, please give me a call and let me know how you are doing or if you have any planned surgeries.

Please don't forget to keep me in the loop once you hear of anyone who is ill or is having or had surgery. We wish everyone good health, and stay safe! Until next month:

In one of the most famous orations of the Cold War period, former British Prime Minister Winston Churchill condemned the Soviet Union's policies in Europe and declares, "From Stettin in the Baltic to Trieste in the Adriatic, an iron curtain has descended across the continent." His speech was considered one of the opening volleys announcing the beginning of the Cold War.

Now we have an Iron Curtin. On the east side the democratic way of thinking and on the west communism/socialism.

The peace was short lived as we now entered into a COLD WAR.

# BAR AREA REMODEL

By Bob DePaola

The time has come! Father John has been gracious enough to allow us the use of the bar area for our events. In doing so he has authorized the remodeling of the cabinets in the bar to accommodate some new equipment we have just purchased. As I said in the beginning "The time has come".

Just in time for the upcoming Fish Fry events, we have purchased a Universal Custom beverage refrigerator with two sliding glass doors for easy reach in will be a wonderful addition to the church kitchen. It features stainless steel construction and has 2 full size sliding glass doors. The doors are designed to ease user fatigue. This unit includes three internal adjustable shelves which can hold a great quantity of our kitchen essentials. However we purchased an extra shelf to store even more of your favorite libations. The shelves are made from heavy-duty polyethylene-coated wires. The refrigerator holds a temperature of 33-38°F for the best in our drinks or food preservation. The interior of the refrigerator is lighted with led lights.

In addition to the beverage refrigerator, we also purchased a full size dual tap kegerator with digital display. Yes that is right. Now you can get your ice cold draft beer on tap. Not one but two different brands at the same time. Of course we will also have in stock

cans and some bottled beers on occasion, but at least we are coming up in the world. It will be easier for us to serve up that nice ice cold beer you have been craving for.

Due to the demand of the fish fry's we have found the need for another deep fryer. So without any further ado we have purchased a new fryer for our upcoming fish fry events.

We are hoping all this will be available in time for the first fish fry on Friday March 3<sup>rd</sup>.

Please keep in mind we will be hosting six yes I said six fish fry's during the Lentin season for our church. This is a church effort so we definitely need your help. This is just one of the fund raisers we have each year.

We will of course be offering for your discerning palate wonderful choices of dishes offering you a tantalizing gastronomic selection designed to delight your senses. We have specially conceived our menu to include a variety of two of the best fishes to be offered. Our Alaskan Cod is a whole filet. You will never be served fish made from chopped and pieces formed then frozen into the shape of a fish. Not us, we offer you the whole white cod fish filet double beer battered and to tempt your pallet even further we offer our cod either deep fried or baked to a flakey golden brown. In addition we will be once again be offering you an Alaskan Salmon pan seared to perfection, covered in our very own homemade garlic butter sauce.

Also on the menu will be our very own breaded shrimp and of course we cannot forget our fish tacos. All these dished come with two not one but two side dishes of your choice.

If fish is not to your partiality then how about a man sized helping of our very own recipe of Macaroni and cheese

David Rime

For the past 35 years I have had the privilege of serving the local community. We make most of the items we sell and do jewelry repair on the premises. In addition, we buy and sell all kinds of gold and silver coins. Our store features great selections, very reasonable prices and we always give special consideration to fellow parishioners. I am proud to be a member of the Knights of Columbus Council #9195 and a 4<sup>th</sup> Degree member of St Jude's Council #2375
