

KNIGHTS OF COLUMBUS

San Antonio de Padua Catholic Church ~ Council #9195 ~ www.anaheimhillsknights.org

GRAND KNIGHT'S MESSAGE

Brother Knights,

In January and February, our council had the opportunity to work closely with the San Antonio Women to organize a tribute of gratitude to First Responders. The event took a lot of planning and organizing and of course resulted in a lot of camaraderie. Judi Moallem, current president of the San Antonio Women, and her team made a fantastic effort to decorate Glynn Hall, while the Knights did the purchasing and preparing of the food. SAW did the serving of the food with the help of our Youth Ministry.

I had the pleasure of going to the eight closet facilities of law enforcement and firemen in Anaheim Hills and Yorba Linda and extending an invitation to them to attend our Italian Dinner event. In all cases, they were stunned by the invitation and immediately expressed their thank you for the invite. Apparently, it had never been done before where the community provided an invitation to join in for a meal and have us demonstrate our gratitude to those who protect and care for us.

As the reservations rolled in at all the masses from the prior two weekends before the dinner, we ended up expecting to have over 350 people attend. On February 11, we paid a wonderful tribute to our current and past First Responders and their families in our community. We had over 50 of them attend. As the First Responders arrived, they

asked to be seated separately so they could meet our parishioners. Amazing. They are all a class act and we should be thankful they are nearby.

The food was out of the ball park and the team led by the DePaola brothers (Bob, Tony, and Pete), Tony Giusiana and Mark Thornberg did an outstanding job. The "gravy" was fantastic. The San Antonio Women prepared a video to show our parishioners and the First Responders how important they are to us. Father Dave and then Father John spoke and thanked the First Responders. It seemed that everyone had a good time and enjoyed each other.

We owe the San Antonio Women and our Youth Ministry a big thank you for joining forces with us to make it an outstanding event. Also, I thank those Knights and their wives that worked this event. You are great.

Each year, the Knights, make a nomination for the Orange County Catholic Man of the Year. I asked our Trustees (Dennis McCoy, Bill Whitcomb, and Gary Richens) to make a nomination to our officers. At the February 21 officers meeting the nomination was approved and we have chosen Henry Garrido. He is very deserving of this nomination.

When work needs to be done, Henry is always there to help. He brings a great attitude to tasks while serving our council. He is our council Warden, is a Cursillista, works recycle Saturdays, Garage Sale, Fiesta, attends TMIY, Choice Wine, works the Italian Dinners, Pancake Breakfasts and Lenten Fish Fry's and does countless other tasks for the Knights and parish. He is also a good friend. Congratulations, Henry!!! Henry flies like an eagle.

On March 29 we celebrate Founders Day. In 1882, Father Michael J. McGivney founded the Knights of Columbus. Let's meet at the 8:30am mass on Wednesday, March 29 and pray together for our Founder.

We are fast approaching the busiest time of our year with fundraisers at the six Lenten Friday Fish Fry's starting March 3; Council's 27th Annual Charity Golf Tournament on May 22; and Pancake Breakfast on June 11. Join in the fun and contribute your efforts to make them a success.

There is no council meeting on Wednesday, March 1. May you all have a spiritual and holy Lent.

Frank Smaldino
Grand Knight

Deputy Grand Knight's Message

Brother Knights, a big thanks to all those who worked for the success of the Italian Dinner event. It was our first "joint" event with the San Antonio Women and I think we worked well together. It was a great way to recognize our first responders, the ladies did a super job, and we made a profit to add to our donation fund.

Hard to believe that March is here in a couple days. Ash Wednesday the start of lent is now hours away. The first Fish Fry is this Friday March 3, 2017. We all know what that means, more help needed.

I am sending out a list of work assignments for all those who have signed up to help. If anyone has questions about work details you can call me 1-714-856-5775 or email me annmarinc@aol.com.

Take a look in the bulletin for the Lenten and Holy week schedules.

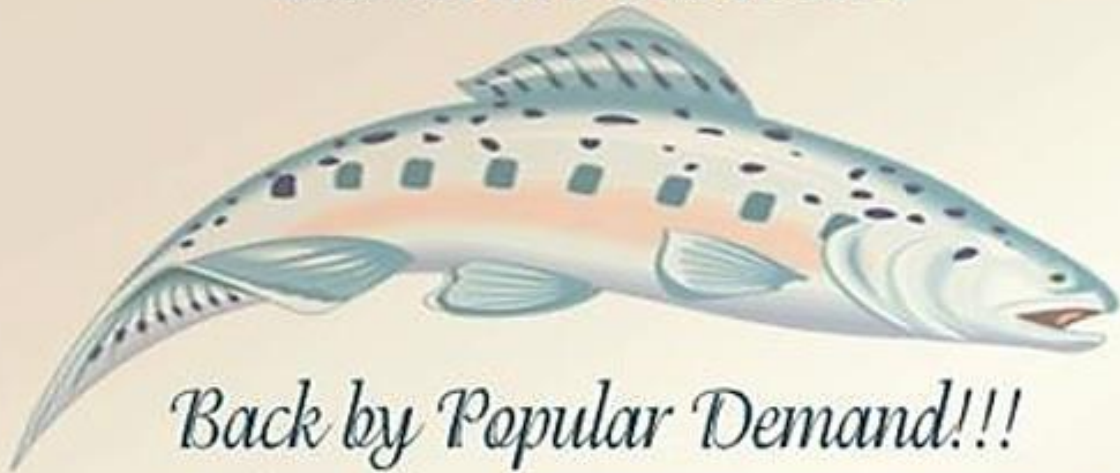

Although we are going to be occupied with the Fish Fry's we have to remember how important this season is to us all as Knights and Catholics.

Your Humble Deputy Grand Knight
Mark Thornberg

KNIGHT'S ENLIGHTENING

Dear Jesus, Divine Physician and Healer of the sick, we turn to you in this time of illness. We place our sick under your care and humbly ask that you restore all your servants to health again. Above all, grant us the grace to acknowledge your will and know that whatever you do, you do for the love of us. Amen.

Brother Knights;

Please keep the following knights and their families in your thoughts and prayers. Please email or call Brother Tony DePaola for any updates.

Brother Keith Carden wrote: "Please pray for my stepson Ralph Heiss, He has lost 3/4 of Liver function and prognosis is not good. If he makes it out of the hospital, he only has about one year left to be in his body."

Please keep Brother Bob Waligore in your Prayers, He had been rushed to the hospital last month with a Congestive heart condition. He attended the last dinner meeting with his sister MaryLou and said he is now doing fine. Brother Bob's birthday was January 14th, he is 95 (or 96) and was aboard a minesweeper in the Pacific at the end of WW 2.

Brother Mark Brewster has a scheduled visit with his surgeon, he is contemplating back surgery.

Brother Paul Ramos wrote: I had two hip replacement surgeries - my left in June and my right in September. Both went well I should be able to walk without cane in February.

Please pray for my wife, Eloise. She has been confined to a wheel chair going on 9 months now due to a fractured knee. We hope it will be healed by January. We just celebrated our 50th Year Wedding Anniversary - December 18th.

Brother Rick Giddens wrote: Please keep our son, David Rosencrantz, in your prayers. He had neck surgery on Thursday the 27th.

Surgery was scheduled for 8 hours to correct a previous surgery which did not heal properly. They will go in thru the front and then roll him over and go in thru the back to make the necessary corrections.

Brother Jack Rock wrote: "My nephew 53 yrs. old died heart attack need prayers. Please keep him and his family in your prayers."

Brother Ron Novello Wrote, "Please keep Nina in your prayers: Nina had a successful neck fusion 2 months ago which relieved some of her pain. She still suffers back pain and continues to need a cane. She will be having a back fusion after the holidays to relieve her lower back pain.

Brother Bob DePaola requested prayers for his grandson Scott, who is seriously ill, his Mother Dana wrote, "The doctors at The Mayo Clinic went over all the lab tests and x-rays. The consensus is they are going to continue treating him with MS meds. Also, the surgery behind the left eye was a failure. He is now totally blind in that eye now and has only one eight in his sight in his right eye. He will more than likely be totally blind in about a month. Brother Bob also requests prayers for his wife Rita. She was in the emergency room with chest pains and a rapid heartbeat. After 7 ½ hours of extensive observation they determined it was pancreatitis. She is on new medications that makes her sleepy.

Brother Ron Conser wrote: "My friends and co-workers Paul and Kathy Jansen son Jacob was diagnosed with a brain tumor, Thank you and my Brothers for your loving prayers. Jacob is still in the thick of it and on to the next stage in 2017. I have copied the update from my friend Paul, Jacob's dad. Please keep on praying..... Jacob Jansen has completed his radiation treatments on the 20th. The Dr.'s Nurses, technicians etc... were so wonderful. They signed his head mask, gave him a certificate of completion, and gave him a card with a gift card inside.

See "Sunshine Report"; continued on page 19

Sunshine Report

Continued from page 18

It is awesome to see people making something good out of a bad situation. Jacob Jansen is doing so very good, he still uses a cane, and cannot quite finger pick yet, but we didn't even know if he would ever regain anything. We are happy and blessed that the timing worked out to give us a Christmas off for treatments and stuff. Although it is still an urgent matter as we were recently told that it is stage 4. The break is because the radiation keeps working like 4 weeks. He will have an MRI, blood and other tests done mid-January then we see the Dr. the end of January to see the results. Then we will know what's next, by how much of the tumor is left. Prayerfully it will be small enough, (or gone), for chemo alone, if not we may be looking at a surgery. For now we are just going to have a wonderful Christmas, celebrating God's love gift to the world.

Father John wrote: Thank You to all for your Healing Prayers. The projected time to heal from my surgery is 12 – 18 months. I am 6 months into the healing process and pain free. But as you can see that I have a long way to go. As long as I move slow, and do not lift anything heavy I am fine-Rays are taken every 3 months. The bones in my neck are slowly fusing together.

Jack Abajian wrote, "I would like to thank you all my Brothers and families for all your continued Prayers for me and my family. It was great seeing some of our Brothers and wife's today at Church. It was a Blessing; I would truly appreciate your continuous Prayers for me and my family - Father (Michel), my sister (Marie). Please keep Toni (my lovely lady) in your Prayers as well.

PGK Brother Maurice McCaughn's wife Laverne had successful lung surgery, the Docs said they got it all, she is resting at home. She needs our prayers.

Brother Keith Carden has a condition known as ME/CFS (Chronic Fatigue System). He says, "I'm

trying my best to stay positive. The first drug, ever, for Myalgic Encephalomyelitis," Chronic Fatigue Syndrome" has been approved by the Argentina government. It's called Ampligen. I guess I have to go live in Argentina. Thanks for the prayers guys.

Brother Don Davis's wife Gwen Davis is home recovering from a broken wrist and subsequent required surgery. She has now recovered and is in rehab. Please keep her in your prayers.

Brother Tony Witkay wrote: Marie is doing pretty well as long as she takes her meds when she is supposed to. She still gets tired very easily but keeps going. She can always use prayers. Thanks for thinking of her. God bless.

Brother Ron Novello wrote: We met with the surgeon, Dr. Deckey, today and scheduled Nina's back fusion for March 13th. This surgeon did a neck fusion In Oct which she has recovered well from. Her vertebrae are fractured from osteoporosis and a previous fall at work. Her body leans to one side and she is in constant pain. She is walking with a cane. This is a major surgery, lasting 5 hours, to install a rod down her spinal column and install hardware to the rod from her vertebrae. The surgeon will do incisions on her side and lower back. She will spend 3 or 4 days in the hospital followed by 2 weeks in a rehab facility and will need about 3 or 4 months to recover. The surgeon is confident of the outcome and Nina is her usual upbeat self. Please keep her in your prayers.

Please include all these in your prayers. We wish all of our members a speedy recovery and a healthy year. If I have missed anyone, please give me a call and let me know how you are doing or if you have any planned surgeries.

Please don't forget to keep me in the loop once you hear of anyone who is ill or is having or had surgery. We wish everyone good health, and stay safe! Until next month:

Last month I told you of the great things to come to the bar area. So now I will update you on the progress. The carpenters work is all done. Space for the beverage cooler has been made. New lighting is in place with even a dimmer for better service. The full size dual tap kegerator with digital display has been delivered and installed.

The beverage cooler was delivered however it was damaged so it had to be returned. This was fortunate for us seeing no one had given it any thought to the width of the cooler. It seems the cooler we wanted was too wide to fit through the doorway. Seeing we made that error we decided to go with a beverage cooler that is not as wide. We opted for one that was 36 inches wide rather than the 48 inch wide one we previously orders.

The carpenter has been gracious enough to remove the door for us just in case we need the extra width to fit the new one through the door way.

I have spoken to of bartender in charge (Dick Crawford), he tells me the kegerator is conned up and the temperature is set for a cool 40°, the perfect temperature for beer on tap.

FIRST RESPONDERS

By Bob DePaola

Have you ever given any thought to just what a first responder is? You know the person who will run into a burning building as you are running away or the person who will stand and shield you with their body as someone tries to shoot you?

Today February 28, is the 20th anniversary of the North Hollywood shootout. The day began as just another gorgeous Southern California day. Then, shortly after 9 a.m., a spectral scene of combat shooting popped onto TV screens across the southland. A bank robbery caught in the act.

First on the scene was LA Officer James Zboravan with just two months out of the police academy when he faced a barrage of machine-gun fire, shot and wounded by a bank robber he dove across to an unarmed officers to shield them with his bulletproof vest. He was armed with a 9MM semi-automatic pistol. No match for what he was facing. He was shot four times before leaping through a glass doorway.

Two men armed with fully automatic weapons and clad in heavy body armor did more than just rob the Bank of America in North Hollywood that day, they were out to kill police officers and anyone else who got in there way.

For almost an hour, the neighborhood was under siege as they marched through, spraying stores, homes and cars with armor-piercing bullets. Shooting indiscriminately they wounding 11 police officers and six bystanders. The officers dodging bullets

RESPECTING LIFE

By Michael Cushing, MD

Hello, my Brother Knights!

The time has arrived, Lent is here! I would like to invite all of you to join me in prayer this Lenten season outside the Planned Parenthood facility in Orange, on Tustin Ave., every Wednesday at 6:30 AM, and on Saturdays at 7 AM for prayerful witnessing for life! You can also stand with other groups on any day throughout the weeks of Lent.

40 Days for Life is happening all over the world as people are realizing that abortion is killing our children.

Abortion scars the mothers and fathers of the aborted innocents.

Abortion scars our society, tears at the fabric of our nation and what it stands for.

Bring your Beads and join others in peaceful prayer, as we seek to shut down Planned Parenthood.

God bless!

Michael Cushing, MD

FIRST RESPONDERS

Continued from page 16

Taking shelter behind their vehicles. Unfortunately the vehicle held no protection as they were

peppered by the hail of bullets that went right through the vehicles. The officers returning

hundreds of shots that were bouncing off harmlessly the bank robbers armored bodies.

More than 300 outgunned and poorly armed law enforcement officers from five agencies, fighting for their lives, fired back. But most were using .38 revolvers or 9 mm pistols pitted against an arsenal of military style high-capacity AK-47s and automatic rifles. Two lucky shots ended the escapade.

Some officers were able to find a gun store that gave out to the officers weapons comparably in size to them. No one asked the store owner to assist he gave as the need arose. Even with these high powered rifles the bullets still just bounced off the bank robbers.

Some officers and civilians bleeding so badly they were sure to bleed to death. An armored truck was commandeered to drive though the area to rescue the fallen. To the officers on the scene time seemed to stand still. A lucky shot by one officer's shotgun hit home in the assailant's back. Eight of the .38 caliber pellets bounced off harmlessly. One found its mark and hit him in the lower spine. This only seeded to make him madder. It was determined later both were high on drugs.

It only ended as you could hope with both assailant's died at the scene.

No law in the land will ever stop a criminal from obtaining illegal weapons. The only deterrent is an armed private citizen. Remember criminals do not obey the law. That is why they are the bad guys.
