KNIGHTS OF COLUMBUS

San Antonio de Padua Catholic Church ~ Council #9195 ~ www.anaheimhillsknights.org

GRAND KNIGHT'S MESSAGE

Brother Knights,

This year's Fiesta is in the rear view mirror, and according to information I received we were 6% over last year's numbers.

I was in the American Food Booth for the duration of the 3 days, and we had great support from the council once again. Not only in the booth, but all over the Fiesta, no matter where you looked there were Knights making it happen. Special thanks to David and Tina Zlaket the Fiesta chairs (they are chairing next year also), and those who worked from the planning stages, set up, and tear down. They are all dedicated to this event and have been for many years.

We now turn our attention to our upcoming Blood Drive, and October Fest Parish Dinner, we will have signups after all masses. Come by and sign up for the help crew, remember the more help we get the easier the work becomes. Tell your neighbors and friends to come and join us for some German Food and German Beer!

Congratulations to Father John who was installed as the third Pastor of our Parish last Saturday, his involvement with our council has been a true blessing, our council thrives because of his support.

As I write this the helicopters are pulling water from the reservoir in back of my house, a reminder of what we live through this time of year. With all the rain last season the brush is thick and dry, be sure to check out area surrounding your home, take steps to be prepared in case of fire.

Remember to keep all our Knights, their families and caregivers that are dealing with health issues in your prayers

God Bless all of you and your families
Your Grand Knight,
Mark Thornberg

DEPUTY GRAND KNIGHT'S MESSAGE

An Invitation

Brothers, 40 days for Life is upon us and I am inviting each and every one of us to support our Brother Dr. Cushing and joining him in front of Planned Parenthood on Tustin Avenue in Orange every Wednesday and Saturday morning. Wednesday morning we meet at 6:30am and Saturday morning is 7:00 am (you get to sleep in!).

I invite you for 2 reasons, the first being there is strength in numbers, and that goes double for prayer. It is a very fulfilling experience, being out on that sidewalk, praying the Rosary with my brother Knights. It is the same Rosary I was entrusted with during my First Degree.

The second reason is we *do* make a difference out there. Last year, I was there to witness a pregnant mother choose life over death for her baby. It would have never happened without Knights from our Council #9195 and their wives being there. It was nothing short of a miracle and those of us there had front row seats.

I know a lot of us already are out there a regular basis and I thank all of you that are, but I ask those who have never been to set your alarm one morning and come join us, it really does make a difference.

Sincerely,
Paul Helterline

A sign posted in the town of Mariposa, CA. This town in the western Sierras was evacuated twice during different fires in the area. Major fires occurred to the west and to the north east during the months of August and September. A stark reminder of how important these men and women are to our safety and protection and our deep appreciation for what they do. (This article is being written as fire engines are racing east to work the Canyon Fire so near to our homes and families.)

From the back Kitchen winner, winner chicken dinner

We will be preparing you something very special for dinner at the October general meeting. Dinner will include finger licking golden, yes we said golden, brown Fried Chicken. Of course it is really broasted to perfection to suit your discerning palette. It is, made with very special secret ingredients in the batter making it a flakey, crusty outer covering that makes it as the Colonial would say "Finger Licking Good".

All our chicken starts out plump and juicy. It is then divided into eight main pieces: breast, wing, thigh and leg. Then it is coated in a very special way and cooked to perfection, so good you will be coming back for more. Some cook their chicken in a frying pan or a deep frying, but ours is broasted (pressure cooked). Then we make sure you always have the best and freshest sides to go along with it.

To start the evening dinner will be proceeded with a social hour with your choice of libations beer, wine, a variety of sodas, bottled water and of course coffee. We will have a very special fresh garden salad, sweet yellow buttery corn, mashed potatoes and of course gravy.

OK so now you know what is in store for you. But of course you have to show up to enjoy our fantastic dinner. We have worked our fingers to the bone just for you so you have to show up to let us know just how much you enjoy our efforts.

Knights of Columbus
INSURANCE
 YOUR SHIELD FOR LIFE

Where did 2017 go? It seems like it was the beginning of summer yesterday.

I hope you and your family are having a great finish to 2017. Now, that most of 2017 has flown by.

Hopefully, you've established a few goals for this year. I've learned a great tip regarding resolutions. First, write them down. It's not too late if you haven't already done this. Commit your goals to paper and post it someplace you will see it often. Writing down a goal is the first step towards achieving it. It may not make sense at first, but I'm sure you have heard stories of the success this simple task can bring. Whether your goal is to exercise more, give more to charity, read more or watch less television, you're more likely to accomplish it if you write it down.

Second, resolve to have an expert look at your finances. I recommend that you have a team of experts help you, and I would love to be the first you sit with. Let's schedule some time to meet together, and I, your professional Knights of Columbus insurance agent, will provide an "insurance check-up" (at no cost!) that will evaluate any gaps in your family's life insurance protection. Now might be the perfect time to fill those gaps, not later. Keep in mind that unlike many other products, you don't just need money to obtain life insurance; you also need good health, and no one knows when your health could change.

Did I mention my check-up is free of charge? When was the last time you received something for free that could provide value to you and your family for generations? Call me today.

Best Regards,

during his bout with illness. How good is our God! While his ALS can progress at any time, we are so grateful for each and every day

Bill Leuddemann wrote "Betty has now completed six sessions of chemotherapy and a massive surgery. She sees her oncologist on September 7th to review her most recent cat scan. Hopefully the prognosis will be excellent. Your continued prayers for Betty will be very much appreciated.

Ron Novello Wrote "Nina returned home Fri and is working on regaining her strength so she can start her radiation chemo treatments in a couple of weeks. The tumor that was removed in June was pretty large and the surgeon and the oncologist recommend treatment to kill off any remaining cancer cells. Daughter Marla flew down from Anchorage, Alaska to care for her Mom the next 4 weeks. Marla is a real blessing to have. Please keep up the prayers for Nina's return to good health.

Rosalind Tegler is home now from Kindred Hospital Santa Ana. She is still on a ventilator, not able to speak, but is very alert and to communicate with hand gestures, lip reading and her eyes."

Brother Ron Conser wrote: "My friends and coworkers Paul and Kathy Jansen son Jacob was diagnosed with a brain tumor, Thank you and my Brothers for your loving prayers. Jacob is still in the thick of it and on to the next stage in 2017. I have copied the update from my friend Paul, Jacob's dad. Please keep on praying..... Jacob Jansen has completed his radiation treatments on the 20th. The Dr.'s Nurses, technicians etc... were so wonderful.

I just spoke to Sandra Brewster. It seems Mark who was waiting for a date for his knee surgery has finally had the surgery to remove a very painful cyst from behind his right knee. During the surgery, the doctors went into the front of the knee as well and cleaned out some torn meniscus and other particles from the knee joint which was causing him pain. So now Mark has had his left knee replaced and his right knee worked on as well. He is at home resting.
