GRAND KNIGHT'S MESSAGE

Brother Knights,

What an experience!!!

We all make it through life with involvement to one degree or another on those things, events, issues that interest us the most. I have had the responsibility of serving as your Grand Knight for the past year. This experience has afforded me the opportunity to be involved with many of you while carrying out the mission of serving the needy.

Many times during the last year, I could feel a calling to accomplish something that was needed for the Knights to do. I spent time sitting in church praying to God to do the right thing for our council; to ask for guidance to follow the path God wants us to take; to stay focused on serving the needy. No doubt there were many distractions to pull me away from our primary mission but the needy are there and they are impossible not to see. Whether they are homeless, hungry, sick, hurting, need someone to talk to or just need a smile. The needy call us, and God leaves it up to us to answer. San Antonio de Padua said it well.

As your Grand Knight I have had the opportunity to guide the council into some new areas and increase the awareness and exposure of the Knights at San Antonio Church. Parish wide dinners and breakfasts that the Knights put on are fundraisers, which give us great exposure to the parish

and an opportunity to recruit new members. But best of all they are major opportunities for our parishioners to enjoy fellowship. It gave Father John and Father Dave the opportunity to mix with those who only come to mass for Easter and Christmas. It gave

our priests the opportunity to mix with those who have left our religion. These events gave our Priests and our Knights the opportunity to visit with and show those wayward parishioners we are a loving and caring religion that forgives past mistakes and provides a loving path to be with God.

Being your Grand Knight has also afforded me the opportunity to be your interface to the parish and it's many ministries. Getting the word out of what we do and why we do it is a very impressive story. I have tried to spread that information at every opportunity. Getting feedback from our priests, deacons and parishioners by the "thank you" and "job well done" and "The Knights are amazing," comments received is a blessing to hear and an example of how we are making a difference. Personally for me, Eucharistic Adoration, Cursillo and "That Man Is You" have also made an impact on me. Please consider them for your spiritual journey.

Early on, I asked for advice from many of our Trustees, who I am beholding to. One of our Trustees told me I would have to learn how to say, "No," meaning there is so much to be done you can only do so much. Another told me to,

"Stay honest and upfront with the membership." Yet another said to, "Run at the pace you can live with," meaning deal with the issues as they arise and get them resolved while disregarding that which you can't do. I am fortunate that God has trained me on how to communicate. I have really tried to keep everyone informed of what I wanted to do along the way over the past year. I have had fun and tried to make sure others had fun as well.

I spend time thanking God for all those Knights and their wives and their children that helped us this year. Without them we wouldn't have a council or any means to carry out us caring for the needy.

To be sure we accomplished a lot over the last 12 months. Those accomplishments are a direct result of the Council Officers and Committee Chairs that did a lot of magic to make it happen. They are a committed and talented group that I enjoyed working with. They jumped in early on and stayed the course when the big waves came along trying to knock us off course. I am forever thankful to them. It has been a joy for me to be with them. My experiences with them will brighten my way going forward.

It is said that the best badge to have in the Knights of Columbus is the one that says, "PAST Grand Knight." I don't know about that because I don't have one of these as yet. But I can tell you one thing, being the current Grand Knight is fantastic, humbling and an extraordinary experience. To be the leader of such a fine organization where we are brothers is so rewarding. In many ways, it was a wonderful benefit provided to me as a result of my professional life. It seemed to me that I spent my life preparing for this passion I have for the Knights.

I extend my sincere gratitude to our Trustees, Dennis McCoy, Bill Whitcomb, and Gary Richens for their assistance along the way. Their involvement, advice and experience were a tremendous help to me. The three of them jumped in and showed their devotion to our cause.

Our council's future will soon be in the capable hands of Mark Thornberg, Paul Helterline, and John Lawson. Please give them your full support. Volunteer to help them serve the needy.

I thank our council for your dedication, support and encouragement. It has been my honor to serve you and your families. Gob Bless you all.

Forever your brother,
Frank Smaldino, Grand Knight

This the last month of our Columbian year, we have our last fundraiser on Sunday June 11th our Parish Pancake breakfast, we will be sending out a request for help that day I hope to see many of you participating. It would be a good event for some of our new brothers to "get their feet wet" and see how our Council works.

We will be presenting our next year's budget for approval and our calendar of events for next Year at our Council Meeting on June 7th.

Thanks to the Golf Committee and all that volunteered to help us at the tournament. It was a beautiful day for golf and everyone had a great time. The folks at Alta Vista did a fine job and the course was in very good shape.

Let's keep our brothers and their families with health issues in our prayers, Dr. Mike, Bob Waligore, Bob Murray, Betty Lueddemann, and all that need our support.

French Dip or Beef Dip

Or General Meeting

By Chef Bob DePaola

So which is it? Is it a French dip or beef dip? OK let's dispel the facts from the fiction. A true story, One day in 1918, while making a sandwich, Mathieu "Frenchie" Philippe inadvertently dropped the sliced French roll into the roasting pan filled with

juice still hot from the oven. The patron, an LA Policeman, said he would take the sandwich anyway. The next day he returned with some friends of his and asked for more dipped sandwiches. And so was born the "French Dipped Sandwich," so called either because of Mathieu's French heritage, the French roll the sandwich is made on his middle name or because the officer's last name was French. Leave to a Cop to name a great sandwich.

Coles Deli has tried to steal Philippe's thunder but it is a proven fact that Coles did not start serving up the French Dip until the early 1930's and why would they call it a French dip anyway.

So are you wondering why I decided to write an article about the French dip sandwich? The answer is simple, that is what I am serving up for the June general meeting. Yes, I will also serve you Hot Pastrami sandwiches as well. To go along with these will be Egg Potato salad and coleslaw. Of course we cannot forget the pickle slices.

Come early get a front row seat and enjoy a libation of your choice. Remember it all starts at 6:00 PM in Glenn Hall.

On May 13, our council hosted 3 simultaneous brunches at 3 GHH homes for 61 resident ladies and their staff. This is the 5th time we have served a sit down brunch to GHH ladies on the Saturday before Mother's Day. 2017 was the best. We had more attendance from the

residents and more Knight volunteers to prepare and serve our guests. Besides serving them a delicious breakfast, we had entertainment, prizes and games. All the ladies were very appreciative of our efforts.

27th Annual Charity Golf Tournament

Alta Vista Country Club

Monday, May 22, 2017

By Frank Smaldino

Our annual golf tournament is one of our two major fundraisers (the other being the Lenten Fish Fry's.) This year's golf tournament brought 80 players together for a beautiful day outdoors. "Most" of the golf committee arrived at 8:30am to prepare the check in area and prizes tables for the arrival of the players starting at 10am. On display were 21 silent auction items and 12 raffle prizes.

Also participating this year was Council #10590 from Laguna Woods at St. Nicolas Church, and Council #8238 from Yorba Linda at St. Martins Church.

Your hard working Golf Committee at 8:30am: Mark Thornberg, John Lawson, Tony Giusiana, Bob Murray, Frank Smaldino, Jim Mackey, Bill Whitcomb, and Paul Helterline. Missing: Dennis McCoy, who at the time had not yet reported.

Due to some confusion, Dennis McCoy shows up at 9:30am. Of course, the always-helpful golf committee is reminding him of the time. The extra sleep he got that morning must have helped. (See below under awards)

With a major prize for all five of the par three's available, the biggest and most attractive was a Mercedes from Mercedes-Benz of Anaheim for hole #2. Again they were one of our major sponsors. Sadly, the Mercedes went unclaimed this year. But hope is high for next year.

We all teed off at noon and played a scramble shotgun format. Meaning all the teams started on a different hole and each player hit a ball from the tee, hopefully towards the green of that hole. There upon the team chooses the best ball location of the four balls hit and proceed to have each player hit

KNIGHT'S ENLIGHTENING

By Tony DePaola

Dear Jesus, Divine Physician and Healer of the sick, we turn to you in this time of illness. We place our sick under your care and humbly ask that you restore all your servants to health again. Above all, grant us the grace to acknowledge your will and know that whatever you do, you do for the love of us. Amen.

Brother Knights;

Please keep the following knights and their families in your thoughts and prayers. Please email or call Brother Tony DePaola for any updates.

Please keep Bob Waligore in your prayers. Bob has congestive heart failure. Bob had to call the Paramedics to his home a few nights ago as he could not breath and needed oxygen. The paramedics gave Bob about 8 minutes' worth of oxygen and that helped Bob to breathe better for about 4 hours and then he had a hard time breathing again. They wanted to take him to the hospital but Bob refused, no more hospital for him. As of the last report his doctor has ordered Home Hospice for him. His heart beat is slowing. He does not have anything hooked up to him. He is very responsive to visitors and would like to have more visitors.

Brother Ron Novello wrote: Nina is slowly gaining her strength back and is undergoing physical therapy at home. We met with the oncologist and a cancer surgeon this week and cat scans and blood work were ordered. The cat scans did not show any cancer at this time but there could be some in the area close to where the gall bladder was or in her ducts leading to the stomach. She may need exploratory surgery to be definitive. However, she needs to get well before that is even considered. The surgeon said it was a fortunate accident that the cancer was found as gall bladder cancer usually goes undetected until it's too late to cure. Her legs are

swollen and the surgeon ordered an ultra sound which determined she has a blood clot in her left calf and one in her right groin. She is now on a blood thinner to treat the clots. Overall, we are optimistic about her health and look forward to her full recovery in a few months. She welcomes visits from her family and friends and is very positive about everything. She enjoyed going to a restaurant on Easter for lunch. Please continue to keep her in your prayers.

Leslie Grayson wrote of her husband brother George: George became very ill, as he had an infection. He was essentially unable to move for 10 days. Thankfully, I had started Hospice about a week prior to this. He has recovered, but has lost ground. His ALS is progressing (that is, getting worse.) I know that so many people pray for George, and for me, so I've never asked for prayers. I had Fr. John come out to anoint George with the sacrament of the sick, and he asked if I wanted prayers for George. While George is doing much better, the truth is he could easily become very ill again. He has two terminal neurodegenerative diseases; Amyotrophic Lateral Sclerosis (ALS) and Frontal Temporal Degeneration (FTD). I am so grateful to God for all the blessings in our lives, which include our faith community of which his brother knights are a big part. Thanks for reaching out Tony.

Father John visited Rosalind Tegler at Kindred Hospital Santa Ana, 1901 College Ave, Santa Ana, CA 92706 Bed 14 A

She is still on a ventilator, not able to speak, but is very alert and to communicate with hand gestures, lip reading and her eyes.

I just spoke to Sandra Brewster. It seems Mark who was waiting for a date for his knee surgery has finally had the surgery to remove a very painful cysts from behind his right knee. During the surgery the doctors went into the front of the knee as well and cleaned out some torn meniscus and other particles from the knee joint which was causing him pain. So now Mark has had his left knee replaced and his right knee worked on as well. He is at home resting.

Brother Bill Leuddemann wrote that I regret to say that my wife has been diagnosed with ovarian cancer. She started chemotherapy yesterday. Prayers for my wife Betty would be greatly appreciated.

Brother Jack Abajian requested prayers for his neighbors he wrote: I just received a call from my neighbors Tony and Gloria Janicki. They are both in the hospital with Pneumonia. Brother knights, please keep them in your prayers.

Brother Bob Murray is scheduled to have knee replacement surgery April 17th, please keep him in your prayers.

Brother Ron Novello wrote: So many have asked how I'm doing so I am responding. The procedure was really interesting as I was requested to stay awake with just a local for pain. The surgeon barked out commands to another doctor and 3 aides and a nurse for quite a while. I sensed the catheters entering my groin with pain. Very interesting. I'm confident they fixed it. My procedure left me sore in the groin it's hard to exercise but I continue to do so with some discomfort, nothing compared to what my wife is experiencing, boy is she strong. Thanks for your prayers and concern. Ron

Brother Keith Carden wrote: My step son that has lost $\frac{3}{4}$ of his Liver is doing better. He is out of the hospital and has been in a nursing home and will be out of the nursing home Saturday, thanks for the prayers.

Brother Virgil Bascos wrote: My 8-year-old daughter Alexis was diagnosed with micro tumors throughout her body, please keep her in your prayers, also my 42-year-old sister-in-law just passed away.

Brother James Berchtold wife Amy has been diagnosed with ITP Blood Disorder and Parkinson's disease.

Brother Paul Ramos wrote: I had two hip replacement surgeries - my left in June and my right in September. Both went well I should be able to walk without cane in February. Please pray for my

wife, Eloise. She has been confined to a wheel chair going on 9 months now due to a fractured knee. We hope it will be healed by January. We just celebrated our 50th Year Wedding Anniversary - December 18th.

Brother Rick Giddens wrote: Please keep our son, David Rosencrantz, in your prayers. He had neck surgery on Thursday the 27th. Surgery was scheduled for 8 hours to correct a previous surgery which did not heal properly. They will go in thru the front and then roll him over and go in thru the back to make the necessary corrections.

Brother Ron Conser wrote: "My friends and co-workers Paul and Kathy Jansen son Jacob was diagnosed with a brain tumor, Thank you and my Brothers for your loving prayers. Jacob is still in the thick of it and on to the next stage in 2017. I have copied the update from my friend Paul, Jacob's dad. Please keep on praying..... Jacob Jansen has completed his radiation treatments on the 20th. The Dr.'s Nurses, technicians etc... were so wonderful. They signed his head mask, gave him a certificate of completion, and gave him a card with a gift card inside. It is awesome to see people making something good out of a bad situation. Jacob Jansen is doing so very good, he still uses a cane, and cannot quite finger pick yet, but we didn't even know if he would ever regain anything. We are happy and blessed that the timing worked out to give us a Christmas off for treatments and stuff. Although it is still an urgent matter as we were recently told that it is stage 4. The break is because the radiation keeps working like 4 weeks. He will have an MRI, blood and other tests done mid-January then we see the Dr. the end of January to see the results. Then we will know what's next, by how much of the tumor is left. Prayerfully it will be small enough, (or gone), for chemo alone, if not we may be looking at a surgery. For now we are just going to have a wonderful Christmas, celebrating God's love gift to the world.

Hope to be home Wednesday May 24th barring any complications/ reactions/ untoward events.

Thank you for all of your prayers and kindness over the past few months as I go over this bump in the road.

God bless all of you!

Brother Bob DePaola wrote: Please keep my brother brother Tony DePaola who, as you probably already know fell and broke his arm. The real story is he was on his daily constitutional walk at Sycamore Park and fell. He had a compound fracture to the Radius, Ulna and smashed his Capitulum bone in his left wrist. After two days in the hospital and surgery the doctors were able to put everything back in place and closed the wound. They had to place pins in his arm along with a plate and 10 screws to hold it all together. He will be wearing a soft case for about 10 weeks.

Please don't forget to keep me in the loop once you hear of anyone who is ill or is having or had surgery. We wish everyone good health, and stay safe! Until next month:

RESPECTING LIFE

By Michael Cushing, MD

Hello, my Brother Knights!

How many of you are aware that the country of Iceland has an aggressive policy of aborting developing babies if the baby is shown to be positive for Down's syndrome? Iceland's government proudly states that it has a 100% termination rate, thus leading to a "Down's free" population in the near future.

Denmark, Great Britain and the U.S. are seeking similar results. Thus, a human baby with Down's is now considered **a disease to be eradicated.**

<https://www.lifesitenews.com/opinion/babies-with-down-syndrome-deserve-love-not-eradication>

More troubling, there are those who call themselves "ethicists" who believe that full term (36-40 weeks gestation) babies in utero, as well as live born babies, can be considered for termination at any time; that is, if the parents feel that a certain condition, including economic or other "relative" reasons exist, then the parents (or the government?) should have the "legal right" to extinguish the life of that HUMAN CHILD. It's interesting/convenient that the human child's right to life is purposefully negated by these so-called "ethicists".

<http://www.washingtontimes.com/news/2015/jun/16/peter-singer-princeton-bioethics-professor-faces-c/>

My point today is that the Pandora's Box of the culture of death was thrown open by the so-called legalization of abortion by the United States Supreme Court in 1973.

What is happening now is the logical progression/results of the "legalization" of the killing of innocent human beings.

We are now facing "physician assisted" suicide/killing; recommendations from "ethicists"

and government officials that every embryo/fetus with a genetic disease that might create a financial strain be aborted; that those with chronic, disabling conditions be considered for early termination on a "voluntary" basis, to relieve pain and suffering, and early termination for those with cancer or other disease termed to be fatal in the "near" future.

We are now watching the **"nazification"** of American medicine and our society. We are seeing the results of a utilitarian philosophy as regards human life.

Rather than dealing with those people whose conditions are described above, many people feel it's more "compassionate", more "humane", **to kill the problem rather than deal with the problem.**

One of the sneaky ways that the culture of death advances this macabre philosophy is to convince the people (and their Families) they would like to see terminated that the individual is a "burden", an anchor weighing heavily on the Family (and, more importantly, the State). The culture of death tells those whom they consider "life unworthy of life" that they can be killed with "dignity", that they will be in "control". The reality is that the killing of the individual is a stripping away of his/her dignity, and shows the person, and his/her Family, who is really in control- the State and its authorities.

In reality, the compassionate, merciful and humane treatment for the afflicted individuals is to care for them. This includes nourishing the ill person- physically, mentally and spiritually.

There is so much more to discuss here. I would encourage all of you to peruse the following links to learn more about these issues, as all of us will be confronted by a situation in which we must stand on our Catholic faith and the Church's teachings.

WE MUST STAND FOR LIFE!!

Vivat Jesus!

Michael Cushing, MD

Golf

Mixed Team Low Gross – Hank Leonard, Eva Leonard, Kris Fisher, and Linda Hidy – with a winning score of 73. The reason Hank is hiding behind his wife is due to the major impact he had on his team. In spite of Hank’s impact, the team still won. The three ladies on this team play at Anaheim Hills Golf Course and are part of the women club there. Congratulations Hank, you know how to pick them. Well done ladies!

Team Low Net – Gary Fulbright, Fred Sotomayer, Dennis McCoy, Don Fox – winning score was a 66. They were by far the most shocked winners of the day. They kept saying, “What did we do to deserve this?” They won the “blind bogey” event.

Mixed Team Low Net – Frank Smaldino, Cindy Murray, Jack O’Connor, and Donna Smaldino – with a winning score of 68. No doubt we deserved to win considering the way Jack, Cindy and Donna played. Frank was there mostly for moral support and finding his errant golf balls (which is a technique he has perfected at Anaheim Hills Golf Course.)

Lastly, the best prize of all is that the tournament was attended by four Priests: **Father Richard Delahunty, Father George Blais, Father Joe Nettekoven, and Father John Neneman** who gave blessings to all. Thank you for making this a special day.

AMERICAN CANCER SOCIETY RELAY FOR LIFE

On Saturday, May 6, we put up our K of C pop up tent at Canyon High School track for the annual American Cancer Society Relay for Life. This was the Knights first year at this event. Thank you to John Lawson,

Mark & Julie Thornberg and Team Allie / Believe in Greene attendees for joining me walking laps towards finding a cure for cancer.

A picture of Allie on her wedding day. She married my cousin Brian Greene. They had one child together named Riley. She fought the big fight and in time succumbed to cancer much too early in her life.

This event is attended by many different groups trying to raise money by the number of laps they walk to find a cure for cancer.

At 9am the first lap is walked by Cancer Survivors. There is cheering all around the track by family, friends, and passerby's that express their best wishes for those that have endured. It is the first of a number of emotional moments to the 24 hour walk-a-thon.

After the first lap, the track is open to anyone who wants to walk laps and pick up a bead for each lap to make a bracelet to proudly wear. On this day, we walked in overcast sky, drizzle, sunshine and full on rain. All of the laps walked are done by proud people wanting to make a difference. People who care and want to help those who suffer from cancer.

Many participants pitch a tent on the infield and spend the night. Many are deep in prayer, some sharing their experiences, and all thankful to be a part of this event.

At about 8pm just as it starts to turn dark, there is a luminary lap walked. Everyone walking gets a candle to carry. The inside edge of the track is lined with bags with candles in them. Each bag has the name of a person who died from cancer or survived cancer. The written sayings on the bags are touching and inspiring. All the lights of the track are turned off and we walk by the light of each candle in silence. To me this is the most emotional part of the 24-hour walk.

When you witness the number of people that have been touched by Cancer, you realize how many families have been jolted by it. There are survivors

to this disease, but in most cases they talk of the disruption to their normal life to both the individual and their family.

These Relay for Life events go on all year long all over the United States. I support this cause and welcome you to join me next year in May of 2018.

3rd DEGREE

I was very proud to join Mark Thornberg, Paul Helterline and Juan Carreno for the third degree ceremony attaining Knighthood for brothers Rocco Falatico, John Lawson, James Trinh, and Dick Crawford. They looked great, answered all the questions and were part of the 63 Knights in attendance attaining their 3rd degree.

MOTHER'S DAY

The tradition at San Antonio Church for Mother's Day is to pass out a red rose to say thank you for being a mother. Thank you to raising children. Here is Mike Cushing and Henry Garrido passing out roses

along with a number of other Knights. Yes, we know who usually does the cooking in our homes.

K of C LADIES APPRECIATION LUNCHEON

On Sunday, May 21 we invited 37 ladies to our appreciation luncheon. This is our way of saying thank you to those ladies that joined in helping us make our events successful. This year the luncheon was held in Glynn Hall and catered by Canyon Catering. Our chair was Ron Novello who recruited three waiters to serve the drinks, meal and dessert. The waiters were: Mark Thornberg, Tony Giusiana, and Frank Smaldino. Father Dave came by to visit with the ladies. Unlike the Knights at the Council Meetings, the ladies asked to be told some jokes. Of course we obliged. They laughed and applauded. Not one boo was heard. I was so proud of them. Finally, I have found the perfect audience.

The ladies had a great time and were gifted a white rose on their departure. We are blessed to have them help us to help the needy.

NEXT COUNCIL MEETING:

If you would like to help setup for the meeting please arrive at 5:00 PM. Bob DePaola would greatly appreciate any assistance he can get.

CLOSING PRAYER:

Father John concluded the meeting with a Closing Prayer.

Flag Day is celebrated on June 14. It commemorates the adoption of the flag of the United States, which happened on that day in 1777 by resolution of the Second Continental Congress. The United States Army also celebrates the Army Birthday on this date; Congress adopted "the American continental army"

after reaching a consensus position in the Committee of the Whole on June 14, 1775.

In 1916, President Woodrow Wilson issued a proclamation that officially established June 14 as Flag Day; in August 1949, National Flag Day was established by an Act of Congress. Flag Day is not an official federal holiday. Title 36 of the United States Code, Subtitle I, Part A, CHAPTER 1, § 110 is the official statute on Flag Day; however, it is at the President's discretion to officially proclaim the observance. On June 14, 1937, Pennsylvania became the first (and only) U.S. state to celebrate Flag Day as a state holiday, beginning in the town of Rennerdale. New York Statutes designate the second Sunday in June as Flag Day, a state holiday.

Only Having Insurance "Through Work" Doesn't Work

Do you know anyone whose life or career has drastically changed during these years of economic downturn? It's very likely that someone in your immediate or extended family or group of friends is facing financial uncertainty. Maybe there's a possibility that you (or your spouse) could change employers, or even lose your job.

Too many people have often relied on group term life insurance as their only safety net. Often, this insurance is an employee benefit provided at low or no cost. The existence of this coverage might convince someone that personally-owned life insurance is not necessary.

But only having "through work" insurance can leave you and your family vulnerable. Most group life insurance policies are limited in amount, which may be tied to salary or some other benchmark. These numbers are often capped, and this cap may be dangerously low when compared to your family's actual needs. In fact, a detailed needs analysis that evaluates your specific situation, will likely show that any employer-provided coverage falls short.

In addition, the amount of group insurance offered is almost always reduced, sometimes dramatically, when you retire. You could one day find yourself without coverage, and if your health has changed (which it will as you age), you might also find yourself unable to secure individual protection. At the very least, it will definitely be more expensive. While group life insurance can help, it does not replace the need for individually owned life insurance. I'll be happy to meet with you and provide a no-cost needs analysis, so you'll know exactly where you stand.

Call me anytime! God love you always!

Best regards,

KEVIN J. GARZA FICF

January Blood Drive

July's blood drive is one we often have low turnout due to just getting over all the holidays. This is our opportunity to give a special gift to someone we don't even know. How special would that be?

Please consider donating or volunteering for this upcoming drive. Better yet, draft a volunteer from friends or family to make this a successful drive. As the Red Cross sees our numbers increase and stay high, they will in turn provide more staffing to the drive so we all end up getting through the process quicker.

If you plan on donating, please consider going to the Red Cross web site and use the rapid pass. You have to do this on the day of the drive only. But once you answer the Red Cross screening questions you can either print out or show the nurse your online receipt and it will really speed up the process.

So please signup online to get an appointment or call Mark Thornberg to make an appointment. Even if you don't know when you can make it to the drive, an appointment lets the Red Cross know how many donors to plan for. As always, we will be taking signups after mass on the weekend just prior to the July event.

Hope to see everyone on Thursday, July 13, 2017. To get scheduled or volunteer, contact Mark Thornberg at 714-856-5775 or email him at annmarinc@aol.com

We'll see you there!

Anaheim Hills Jewelry & Coin Mart

"Serving Orange County for over 35 years"

David Rime

For the past 35 years I have had the privilege of serving the local community. We make most of the items we sell and do jewelry repair on the premises. In addition, we buy and sell all kinds of gold and silver coins. Our store features great selections, very reasonable prices and we always give special consideration to fellow parishioners. I am proud to be a member of the Knights of Columbus Council #9195 and a 4th Degree member of St Jude's Council #2375
