San Antonio de Padua Catholic Church ~ Council #9195 ~ www.anaheimhillsknights.org

GRAND KNIGHT'S MESSAGE

Brother Knights,

This is my last message to you as your Grand Knight, Brother Paul Helterline takes the reins July 1, 2018. It has been an amazing year for our council; our fund raising efforts have exceeded all our expectations. Working with all of you during the year has been a true pleasure.

We have been blessed with a Pastor and parish that through the year have formed a community bond with our council that benefits us all.

The Parish Dinners, Fish Fry's, Golf Tournament, Garage sale, and Fiesta are some of the proof of our success.

I want to thank all of my Brothers that work every week at the charities we support, it is the real reason that we all became Knights. Many of these efforts are behind the scenes, some do not see all that you do.

I want to thank all my officers from this last year for all their efforts, we had some interesting meetings, and got a lot accomplished, and now we move on to do more and continue our councils' legacy under Brother Paul's guidance.

I want to thank all of our Clergy that have been so involved and helpful with us all year. Their dedication to our faith makes this parish a special place to be part of.

When you are the Grand Knight you become the face of the council and you receive many calls and requests. Keeping up with it all can be trying at times. But I did what I could to fulfill my duties and responsibilities. Even when people would ask if my name is Frank.

I consider all of you as my true Brothers and am blessed to be part of this council, I will continue to work to make it better with all of you, as you're next PAST GRAND KNIGHT!

You're Grand Knight,
Mark Thornberg

DEPUTY GRAND KNIGHT'S MESSAGE

Well that was quick!

Brothers, as the clock ticks down towards the end of my term as Deputy Grand Knight, I can only think back 2 years ago when I agreed to become Chancellor and accepting the 3 year march through Grand Knight. My thought at the time was that being Grand Knight was way off in the future and I would have time to get ready.

Well those 2 years went by waaaay too fast. Now, as I am trying to prepare for my turn as your humble (and slightly overwhelmed) leader for the coming Columbian year. I think back at my time so far in the Knights. So much has gone on in the past years. We have had some great times, working the fundraisers, helping with our charities and enjoying the comradery with our brothers.

We have also been through some difficult times with the health and the loss of some our brothers and their families. It is in these times, when we band together and support each other that the strength of our organization truly shines.

So with the coming year, I am truly humbled and honored to be taking over as the leader of our Council as Grand Knight and I only pray that I can do as good a job as our previous Grand Knights. I am also truly blessed to have such a wonderful supporting cast in the Officers as well as a fantastic Council with dedicated Catholic men. I know if we continue to band together and work hard, like we always do, we will continue to do some great things, all for the Glory of God.

Thank you & God Bless
Paul Helterline
Deputy Grand Knight

Knights of Columbus
INSURANCE
YOUR SHIELD FOR LIFE

Long Term Care Is an Important Piece of the Puzzle

There are many financial consultants and retirement authorities who emphasize the need for a long-term care (LTC) product for estate preservation and family protection. While many commercial life insurance companies have gotten out of the long-term care business, the Knights of Columbus considers LTC a very important piece of the family protection puzzle. The Order has been actively offering our members this product for nearly 15 years without a premium increase on current policyholders. Members who wisely purchased an LTC plan from the Knights in 2000 are still paying the same premiums today. Even better, our LTC coverage is backed by the full strength of the Order, which remains rooted in our strong Catholic values. Talk about stability when it counts. If we have not spoken about your need for LTC coverage in your family portfolio, please take some time out of your schedule to meet with me.

Remember, long-term care policies are underwritten based on your health, and you most likely will never be any healthier than you are today.

Our products are designed with your needs and budget in mind. With a solid portfolio of life insurance, long-term care, disability income and retirement products, the Knights of Columbus can help you meet all of your financial goals. To learn more about these solutions, contact me today.

God love you all!

KNIGHT'S ENLIGHTENING

Hello, my Brother Knights!

Here in California a very important ruling came down from the California Supreme Court on Wednesday, May 23, 2018. The court had received an expedited appeal from the Attorney General of California, Xavier Becerra, stating that the End of Life Options Act was a matter of health care policy. This statement was made because Riverside Superior Court Judge Daniel Ottolia had ruled, on May 15, 2018 that the End of Life Options Act is **unconstitutional, was passed in an illegitimate manner and does not constitute health care**. Becerra's knee-jerk statement that he would appeal was expected.

The importance of this ruling cannot be overstated. This type of law should never see the light of day, but the proponents of the culture of death will continue to push for the legalization of suicide.

It is vital that ALL of our Knights become aware of what this battle over so-called "physician assisted suicide" is really about.

It is about the taking of a life intentionally by the use of drugs that physicians are licensed to prescribe. In essence, it is no different from the action of a doctor handing a .45 cal pistol to a patient, putting the barrel in the patient's mouth and slowly helping the patient pull the trigger.

This idea that physicians should help their patients kill themselves is a total aberration and is defiling the role of a doctor.

The proponents of PAS state that this offers the patient the dignity of killing themselves, rather than having to suffer with their condition.

This thinking throws the morality, the ethics and the philosophy of more than two millennia to the wind. Suicide has never been considered as an appropriate manner of death. The Hippocratic Oath never approved of suicide, having a specific rejoinder

prohibiting physicians doing this by offering poisons/herbs by which a patient could kill himself. What is happening now is the rule of relativism joined by the narcissistic atmosphere in which we live. I have the right to kill myself because it's my body and I will do as I please. We've heard this exact comment from those women who have killed their babies by aborting them.

When abortion was "legalized" with the Roe v Wade decision in January, 1973 a new means of brainwashing people came about.

Since more than 60 million babies have been murdered in this fashion, 45 years have passed, plenty of time to brainwash 2-3 generations of Americans into believing that killing a baby is "OK", why not the chronically ill, the elderly, the terminal patient?

I say this because that is what this ultimately becomes- a killing of the helpless, a killing of those we deem unfit to be cared for any longer. The chronically ill, the terminal cancer patient, the Down's child all become "burdens". Rather than working to love these individuals, to comfort them and be with them, it becomes much easier to have them take a few pills or inject them with lethal drugs.

Our Catholic Faith gives us a purpose in our lives, from the moment of conception until our natural death. The so-called "death with dignity" crowd wants you to believe that killing oneself is a sign of empowerment.

Rather, it is a sign of contempt by the healthy, who would rather put down the sick as one puts down a dying dog or other animal.

We are human beings, we have a soul and an inherent dignity. Helping the ill is a sign that we honor their dignity and their lives as we travel with them on their journey to their deaths. This is not a Catholic, Christian or Jewish ethos. We are conceived, born, live and die with a dignity that is the underpinning of our lives as human beings. We do not allow the culture of death to destroy that dignity as they try to proclaim that they are "honoring" the victims of their philosophy by helping them to kill themselves.

From The back Kitchen

We know here in Southern California we have, gloomy overcast mornings. That is why the weatherman calls it June gloom. So your cooking staff wants to turn that gloominess into a golden evening. We have prepared for you something very special.

A very special dinner for our **June 6th meeting**. Dinner will include finger likin good golden, yes we said golden, Golden Fried Chicken. Of course it is really broasted, but I won't tell if you don't. It is, made with a very special batter that makes it as the Colonial would say "Finger Licking Good".

All our chicken starts out plump and juicy. It is divided into its eight pieces: breast, wing, thigh and leg. It is then coated with very special recipe of herbs and spices then cooked to perfection, so good you will be coming back for more. Some cook their chicken in a frying pan or deep frying, but ours is broasted (pressure cooked). Then we make sure you always have the best and freshest sides to go along with it. To start the evening dinner off properly we offer beer, wine a variety of sodas and of course bottled water. We will have a very special side dishes. All this will be coming to you from Keno's restaurant where they really know chicken

"Serving Orange County for over 35 years"

David Rime

For the past 35 years I have had the privilege of serving the local community. We make most of the items we sell and do jewelry repair on the premises. In addition, we buy and sell all kinds of gold and silver coins. Our store features great selections, very reasonable prices and we always give special consideration to fellow parishioners. I am proud to be a member of the Knights of Columbus Council #9195 and a 4th Degree member of St Jude's Council #2375
