KNIGHTS OF COLUMBUS

San Antonio de Padua Catholic Church ~ Council #9195 ~ www.anaheimhillsknights.org

GRAND KNIGHT'S MESSAGE

Dear Brothers,

“By order of the Governor of the State of California all residents are to remain at home, except essential services individuals. “ The Pandemic Emergency Order was put into place as an attempt to slow down the spreading of the Coronavirus . At San Antonio Catholic Church the changes put into place were dramatic. The Friday Night Fish Fry events came to a halt, the Church was locked and will remain so until further notice. Mass is not available. Weddings, Baptisms, and Funerals are postponed until further notice. All parish buildings are to remain off limits to meetings, groups, or all Non-essential Parrish Staff

These are certainly unique times that we live in. As members of the Knights of Columbus, it is our privilege to be leaders in our community. We are known for being practicing Catholic men. We are focused on the ideals of Charity, Unity, Fraternity and Patriotism. I would ask each of you to take this Pandemic as an opportunity to pray for the comfort that only comes from your personal relationship with God, our Father.

Everything that is on our previously arranged calendar is on hold. No Officers meetings and no general Council dinner-meetings until further notice. Our April 16th Blood Drive has been cancelled. The American Red Cross is in the process of scheduling their Bloodmobile to be in our area. As that information unfolds, you will be notified.

On a positive note, the May 11 Golf Tournament has been tentatively rescheduled to October 12....which happens to be Columbus Day. In the meantime, practice social distancing, wash your hands frequently, and stay at home. Stay healthy; I look forward to the day when we are together. You are in my daily prayers.

Affectionately,
Your Brother in Christ
John Lawson, Grand Knight

DEPUTY GRAND KNIGHT'S MESSAGE

There isn't much more to that can be added to the message from our Grand Knight, John Lawson. The Corona Virus has presented an unprecedented pandemic in our time. Empty parking lots, no traffic on the streets, empty shelves at our big box, grocery stores and decline in our markets. It all feels very surreal for 2020 in the United States.

All we can do is to follow the direction of the medical experts. Wash your hands, practice social distancing, don't touch your eyes, nose and mouth. With all of the orders communicated by our local and state governments to stay indoors - it is our duty to follow their instruction and do our part to stop the spread of this virus.

Pray - pray continually because we know that God will see us through this time, protect us and comfort us. Remember the most vulnerable among us. Check on the elderly that you know and ensure that they have what they need as they may be challenged to go out and buy groceries and may not know how to access online sites. Pray for those that have succumbed to this disease and celebrate those that have recovered and beaten the virus. Stay healthy, Stay safe and May God Bless you all.

May God bless all of you and your families.

ISAIAH HOUSE, February 25

The night before Ash Wednesday and the start of Lent, our council put on a Mardi Gras party for the ladies of Isaiah House. Here is Tony de Lucia preparing pancakes to go along with the chocolate chips, banana, strawberries, blueberries, and whip cream.

Hans and Karla Kintsch working together making more pancakes. Once again, Karla is doing all the heavy lifting.

Look at all the bubbles popping. Note the Mickey Mouse pancake in the middle. This is what Hans Kintsch is capable of if left unattended. Very creative.

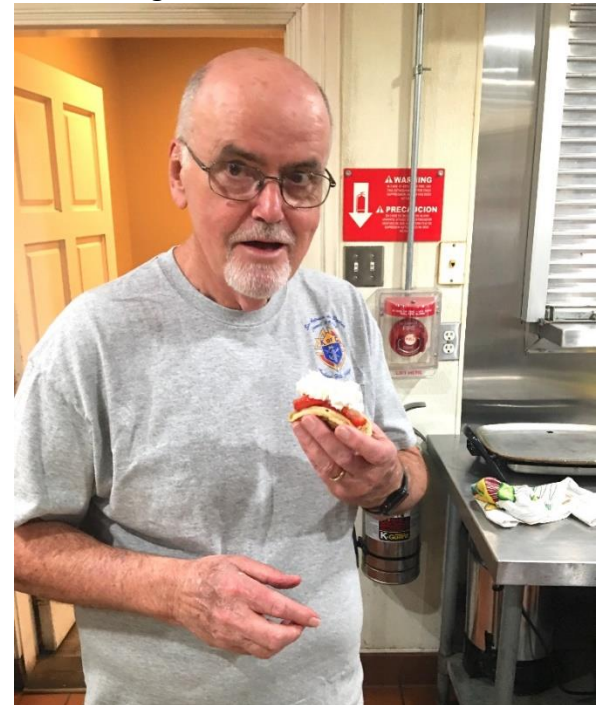

All ready to party are: Tony de Lucia, Vickie Milligan, Hans and Karla Kintsch, Greg Smet, Paulo Fernandez (currently in RCIA) and Blake Kidd.

While Frank Smaldino, Greg Smet and Blake Kidd need bigger hats they are still having a good time just before we serve the Mardi Gras meal.

Blake doing an **authorized** taste test.

Hans doing an **unauthorized** taste test. Thank you is extended to the team for cooking up a great good time for the ladies. They were most appreciative.

EUCCHARISTIC ADORATION, March 2020

Time with God to reflect and prepare for the Lenten Season.

FISH FRY

Put up the banner and they will come.....to the Lenten Fish Fry Fridays. Thanks to Henry Garrido and Paul McHenry for creating a new and easy to use pulley system to get the banners up and down. No more 16 foot ladders to carry and climb.

“Manacotti ala Giusiana” was the first week “Special Meal” this year and it was delicious. Thank you to Luann and Tony Giusiana for their culinary delights.

“Shrimp & Cocktail Sauce ala Zlaket” was the “Special Appetizer” every week and a popular one it was.

“Krab Salad ala Zlaket” was the second week “Special Meal” and many enjoyed it.

“Crab Cakes ala Zlaket” was a gem for the third week.

The dessert table with Mark Thornberg, Carolyn and Rick Giddens.

Back in the Kitchen are David Zlaket, Patrick Daeley, Paul Helterline, John (currently in RCIA), the back of Johannes Yostanto, and Joe Perez. Always a fun place to work.

Virginia DePaola and her team collecting payments for ordered dinners. Thank you ladies.

Lee and Yvonne Tracey and Family enjoying their meals. Lee took a short break from the Condiment table to visit with his family.

“The Twins that dressed the same” are Frank Smaldino and Christian Gabbour.

Members of the order taking and order fulfilling teams are: Rick Melendres, Lilly McHenry, and Jim & Bunny Cook (wearing a bit of the green.)

Filling orders are: Rania Gabbour and Paul McHenry. As you can see, Rania is still training Paul.

The Quality Assurance Team of Dennis McCoy and Linda Mackey are happily awaiting another tray of food to review and then pass along to the servers to take to the appropriate table.

Wearing a bit of the green and “Standing Tall among California Realtors” is Dick Crawford.

Only a quick picture taker could have captured this one. Our fun loving Grand Knight John Lawson is caught robbing the liquor cabinet. Oh what the heck it is St. Patrick time and he is Irish. Nice hat!

Sadly, due to the COVID-19 pandemic we made the decision to stop the Fish Fry's after the third one. Our customers really enjoyed the food we prepared and each year we are getting better and better at it. Most of all the Knights miss not seeing the wonderful fellowship in Glynn Hall. We pray you all stay healthy and in due time this will pass so we can resume what we expect in a normal life style.

RECYCLE SATURDAY

Mark Thornberg, with the results of a first Saturday morning workout by our recycle collection Knights. With the truck filled and tied down, Mark is ready to head out to garner much-needed funds for the cans and plastic bottles collected. Notice the near perfect parking job Mark did with that huge truck. I wish I could park my truck that well.

AND THEN "THE BIG CRAZY" BEGAN

Sam's Club – No Water No Paper

The ugly hoarding started with no water and no paper and daily got worse. Our basic instinct to protect and provide for our families over shadowed our need to care for others. Too many went into a mode of not caring about others and focused on selfishness.

We have quickly moved to long lines to get into Costco and Sam's Club, and markets, etc. only to find shelves already empty. A courteous clerk told me at Von's that they had to shut the store at night in order to restock because it became very scary and unsafe for the employees to restock with customers grabbing items trying to beat each other getting multiples of necessities.

We are in the land of plenty. These are unprecedented times for all of us. Now is when we must pray more and care more about others. We are Knights. This is our time to act like it and help each other and the needy. Let's provide a good example to our community.

SAN ANTONIO CHURCH IN THE EVENING

Our spiritual home on the night of the last day mass was said (Tuesday, March 17, 2020) until it is safe again from the virus pandemic. San Antonio Church is forced to close due to the requirement not allowing large groups to gather. Our usual place of worship is not available to us. Yet God lives in all of us and we can still pray and open our hearts with love for Him. He is with us.

OUR COUNCILS 30TH ANNUAL CHARITY GOLF TOURNAMENT – POSTPONED

Due to COVID-19 we must postpone our fundraiser golf tournament from May 11 to October 12, 2020 at Alta Vista Country Club. Save the date of October 12 on your calendars. It is also by coincidence, Columbus Day. More information will follow in the coming months about this tournament. Thank you

to the leadership provided by our Golf Committee. They are great Knights however lousy golfers.....

Above is an example of the caliber of the golfers that usually play in golf tournaments. However no one would ever do such a thing in our tournaments. Our players have high character. Right?

So when you can, if you are of high character, sharpen your game between now and October 12 or if you are of low character practice deep breathing exercises.

All golf courses are currently closed and will remain so until the virus pandemic is over. Still a few swings of the clubs in your back yard every few days will keep you grooved for a successful return to the game.

Jesus, I trust in You

Dear Jesus, Divine Physician and Healer of the sick, we turn to you in this time of illness. We place our sick under your care and humbly ask that you restore all your servants to health again. Above all, grant us the grace to acknowledge your will and know that whatever you do, you do for the love of us. Amen.

CORONA VIRUS HEALING PRAYER

Jesus Christ, You travelled through towns and villages “curing every disease and illness.” At Your command, the sick were made well.

Come to our aid now, in the midst of the global spread of the coronavirus, that we may experience your healing love. Heal those who are sick with the virus. May they regain their strength and health through quality medical care. Heal us from our fear, which prevents nations from working together and neighbors from helping one another. Heal us from our pride, which can make us claim invulnerability to a disease that knows no borders. Jesus Christ, healer of all, stay by our side in this time of uncertainty and sorrow.

Be with those who have died from the virus. May they be at rest with you in your eternal peace. Be with the families of those who are sick or have died. As they worry and grieve, defend them from illness and despair. May they know your peace. Be with the doctors, nurses, researchers and all medical professionals who seek to heal and help those affected and who put themselves at risk in doing so. May they know your protection and peace. Be with the leaders of all nations. Give them the foresight to act with charity and true concern for the well-being of the people they are meant to serve. Give them the wisdom to invest in long-term solutions that will help prepare for or prevent future outbreaks. May they know your peace, as they work together to achieve it on earth.

Whether we are home or abroad, surrounded by many people suffering from this illness or only a few, Jesus Christ, stay with us as we endure and mourn, persist and prepare. In place of our anxiety, give us your peace.

Jesus Christ, heal us: Brothers of St. Patrick

INSURANCE

YOUR SHIELD FOR LIFE
By Kevin Garza

- Happy Easter to all of my KofC brothers and family.
- I pray that this Easter will bring you all the joy and happiness you deserve.
- Please read article below.
- **Only having “through work” insurance doesn’t work**
- Do you know anyone whose life or career has been drastically changed during these years of economic downturn? It’s very likely that someone in your immediate or extended family or group of friends is facing financial uncertainty now. Maybe there’s a possibility that you (or your spouse) could lose your job or change employers.
- Too many people have often relied on group term life insurance as their only safety net. Often, this insurance is an employee benefit provided at low or no cost. The existence of this coverage might convince someone that personally-owned life insurance is not necessary.
- Only having “through work” insurance can leave you and your family vulnerable. Most group life insurance policies are limited in amount, which may be tied to salary or some other benchmark. These numbers are often capped, and this cap may be dangerously low when compared to your family’s actual needs. In fact, without a detailed needs analysis, any employer-provided coverage will likely cause a shortfall at the insured’s death.
- In addition, the amount of group insurance offered is almost always reduced, sometimes dramatically, when you retire. You could one day find yourself without coverage, and if your health has changed (which it will as you age), you might also find yourself unable to secure individual protection. It will definitely be more expensive.
- While group life insurance can help, it does not replace the need for individually owned life insurance. I’ll be happy to meet with you and provide a no-cost needs analysis, so you’ll know exactly where you stand.

I can't end this message without wishing all of you a very Blessed Easter! It's celebrated in the Latin Church on April 12 this year. What a wondrous time in our liturgical year! While we celebrate Jesus'

Victory over death and his glorious resurrection, we remember that the raising from the dead came after humiliating abuse and an agonizing death. When I pray the rosary, I sometimes try to mediate on a particular decade by placing myself in the scene of that decade. How would I, a follower of Jesus, have reacted to his crucifixion? At the cross like John...or scared and hidden away with rest of the disciples? Would I have been brave enough? Then at the first Glorious Mystery, there at the tomb, stunned in awe of the mighty power of the Resurrection. What a mighty God we have! May each of you and your families experience the joy of this Easter season!

Blessings to you all during these crazy times.

I pray this email finds all of you in good health and spirits.

I know we will, with the help of our Lord and Savior, we will conquer this virus around the world and soon and be on the road to greener pastures.

I am writing you today to let you all know that the Knights are here and will always be here to serve you in this new world were living in.

I am your field agent and I am in the field serving all of our members as we promised you when you became KofC members.

I am here to help with any needs. No matter what the call. Just give me a call, email or text and I'm on my way. I am healthy and ready to go.

Since our company is a financial and insurance institution. The state of California Insurance commissioner has deemed us as essential employees. (Not locked down)

That means that even though the State of Ca. is in lockdown. We as field agents need to be able to see our clients and give them the ability to move any and

all monies that are invested that may be at risk due to the market's volatility. Or maybe you never got that life insurance and now you realize how important it is to you and your family.

In just the last 2 weeks many of our brothers have moved they're IRA's, Annuities, 401k's and other investments to KofC. They knew the only way to protect those hard earned monies that took years to save, was to move it to the Knights. Because they knew that KofC will not lose any of their invested monies. None!

Rest assured that the KofC have not lost any monies ever that have been invested with KofC. NEVER!

Everyone who has invested with KofC has actually had they're investments grow during this turbulent time. Yes, Grow!!!

Plus if you have not recently checked your current life insurance policies with us or with other companies. This is a good time to have me do a review of all your investments and Insurance protection.

This will confirm there's no gaps in the coverage you have in place that could be detrimental to your family.

We all want to make sure that there's enough monies left behind to help our family carry on if we were to pass. Why not make sure it is enough!

This is a good time to add to your portfolio of protection. Don't postpone for tomorrow what you can do today!

We are still underwriting policies as I write you today. Were open for business!

So at this time, if you are nervous, scared or in fear of not having enough protection for the family, call me. I'm here to serve.

If you want to do a review of your current investments with us or have me look at your other invested companies policies, call me.

If you need anything at any time we are here. Were ready to do whatever is necessary for you and your family.

May God always love you and your family!

Vivat Jesus! Best Regards, Kevin Garza

Corona Virus-19

Hello, my Brother Knights, from the depths of "social distancing"!!

Yours truly is hunkered down (such as it is) in the house, reading more than ever and finishing-up my F-16 I Sufa, an Israeli fighter that is a modified US F-16.

The Israeli's can really beef-up a fighter!

My wife is in the frontlines fighting this critter, Covid 19, called a "novel" virus due to its modified genetics making it a new little bastard that is thought to be worse than its viral cousin, influenza.

What is difficult is getting into the HazMat suit that is now part of the wardrobe closet. Re-charging the oxygen tank is also a thrill.

We are now in the midst of a rapidly changing social and cultural milieu. In fact, changing almost by the hour at times.

We are being confronted by ethical questions that demand a more reasoned approach and dialogue, but are being answered in a haphazard, secular manner that will leave a trail of moral and ethical disasters if not dealt with properly.

Presently, people are being treated in our hospitals with the most technologically advanced means in the history of mankind.

Unfortunately, the critters we are attempting to stop in order to save a patient's life are also highly advanced. They modify their genomes, a tweak here, another tweak there, and it's a new bug!

Meanwhile, the critters are reproducing, spreading throughout their victim's body and being transmitted to the atmosphere, body secretions and excretions, by which others are infected.

Those in the trenches- in the hospitals, the clinics, the skilled nursing and rehab facilities- are battling the desire to get as far away from these sick people as possible, yet knowing that they offer the greatest chance for that patient to survive.

Multiply this by the hundreds, the thousands and one gets a sense of what this battle is about. Then, there are those who are at great risk for dying. The very young, whose immune systems haven't been geared-up for this battle; the very old, whose immune systems and other organs aren't up to the fight after a lifetime of fighting; those people dealing with chronic health conditions such as diabetes, heart disease, cancers and a multitude of other illnesses; and the old folks who also have multiple chronic diseases (I fall into this category!) Unfortunately, "old" begins at 60 as of this writing (sorry to have to tell you this, Gary!) This is where the dilemmas begin.

Who will get what treatments are available? This is where the ethics of this disaster become blurred.

Remember the old challenge presented when the members of the Donner party started eating the bodies of their deceased traveling partners? What did you think about that situation?

Well, what will be done when a 70 year old man on a ventilator, with a history of heart disease, diabetes and mild emphysema has a cardiac arrest?

Never mind the cost of running a code will be (in the tens of thousands of dollars in the current climate!). If this patient has Covid 19, how many of

See "CoVid-19" continued on page 15

CoVid-19

Continued from page 14

the code team will become infected? What are THEIR risks of becoming the patient?

What happens when there are no longer enough ventilators, IV bags, sterile intubation kits, ICU beds, etc, etc?!?

We are trapped between a true "rock and a hard place"- the technology is there, but not enough of it. The talented medical personnel are there, but not enough of them (and even fewer if THEY become sick). The medical supplies are there, but not enough of them.

Who will be treated, who WON'T be treated?

In our secular, morally relativistic world, the answers come "easily". Throw in other "relative" factors- Who's got the money? Who knows who? Where is the patient in the "food chain" of life?

Remember Steve Jobs, the Apple guy?

Well, he had a terminal cancer that was destroying his liver. By the medical standards of the time, he should never have received a liver transplant, but he DID get the transplant.

What we, as a moral, essentially Judeo-Christian society of laws and moral order, MUST DO, is come to grips with these "rock and a hard place" situations, in a just, compassionate and merciful manner.

Probably one of the best ways to do this is to have these discussions with our Families and Friends, **with those who have your best interests at heart, before** you and your Family are faced with the "rock and a hard place" decision that most all of us will face (realizing that some might die instantly eg, by a Mack truck on the way home from the store, or a massive heart attack!)

I don't have the answers. I keep coming up with more questions. Each of us has to make a decision that is not a secular, agnostic/atheistic, "feel good" decision.

Rather, we look to our Faith as Catholics; we draw on what we know to be righteous and good; we seek counsel from our Families and Friends and draw most from our God, whom we trust with our hearts and souls.

Let's all pray for a healing of all those who are sick right now, that God will have mercy on their souls, no matter what happens to their bodies.

Let's pray for our country and those who are our leaders, that God will bless them with Faith, Hope, Charity and Wisdom now and into the future.

I also offer my prayers for all of you who have read this piece, in the hope that you will find peace and strength, to deal with those rock and a hard place issues that you will have peace of mind!

St. Michael, Archangel, defend us in battle! Be our protection against the wickedness and snares of the devil. May GOD rebuke him, we humbly pray, and do thou, oh Prince of the Heavenly Host, by the power of GOD, cast out satan, and all the evil spirits, that prowl about the world, seeking the ruin of souls.
Amen

God bless all of us!

It is with a heavy heart we share this news. Last night we lost one of our main volunteers, Efrem.

He was a Marine.

Efrem put in about 80 a week volunteering with Patriots and Paws, he rode along and did pickups getting the items that we give away. He spent countless hours organizing our warehouse and helping the Veterans, Active Duty, and Reservists we serve.

He had been volunteering with us for about 8 years. He was a major doer for us. He worked in the rain, gave us his blood, sweat, and tears over all these years. We would be still moving from our old location if it wasn't for him. It will take a platoon to replace this man. Patriots and Paws would not be where we are today, without all of his endless hours of work.

He changed the lives of many of those he came in contact with. He loved the Lord with all his heart and upon his last breathe he is with his maker. He loved life!

Efrem my friend, one who had my back more than once, you are missed - Penny Lambright

Dear Brother Knights,

Be assured of my continued prayers for you, your family and for all our brother Knights. In this difficult time, I believe God is asking every Knight of Columbus to pray in a special way for one another and for our Order, not just for health or wellbeing, but also that we be faithful to the great calling the Lord has given us as Knights in this challenging time.

To address the particular needs and challenges of these days, the Supreme Council is changing the format and timing of *Knightline*. During this unprecedented time, it is important that we are in more regular contact with you, and we will work hard to provide resources, both spiritual and practical, for you and your family. We are all facing challenges — I believe as Knights we are all called to be leaders in a special way during this critical time. The question we all must face right now, today, is this: "What does it mean to lead in this time of trial?"

We will now publish *Knightline* twice a week to help answer this question.

The new *Knightline* will include reflections and offer resources connected to these themes: love of God, love of neighbor and protecting your family.

This special edition of *Knightline* includes an article explaining what it means to lead as a Knight in this moment of trial. It is organized around five pillars that, I believe, we are called to live out in a particular way in this difficult time. Please take the time to read it and prayerfully reflect on it. We plan on offering further reflections on these five pillars regularly as part of future issues of *Knightline*.

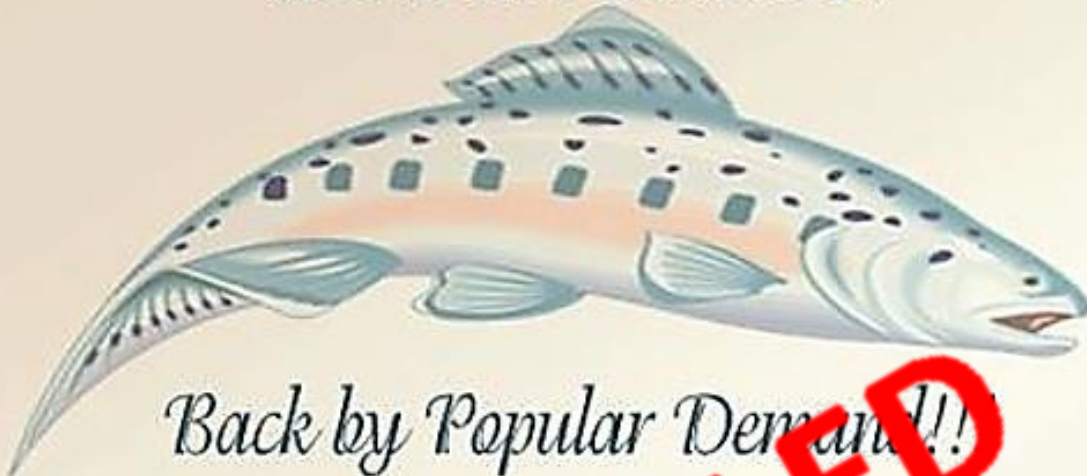

My sincere hope is that we will all grow closer to God and to one another during this time so that we can serve as a beacon of light and hope to those around us.

If we are faithful to Christ's call to us as Knights, he will certainly help us shine the light of his love on those around us. Together, brothers, let us step into the breach and live lives "worthy of the high call that God has given us." (Eph. 4:1)

Vivat Jesus!

"Serving Orange County for over 35 years"

David Rime

For the past 35 years I have had the privilege of serving the local community. We make most of the items we sell and do jewelry repair on the premises. In addition, we buy and sell all kinds of gold and silver coins. Our store features great selections, very reasonable prices and we always give special consideration to fellow parishioners. I am proud to be a member of the Knights of Columbus Council #9195 and a 4th Degree member of St Jude's Council #2375
