Grand Knight's Message

Brother Knights,

I had a bit of a wakeup call this week at our Officers Meeting; we received 60 jackets from Tony Arciero's son a Knight from Corona. They would like us to distribute them to different charity organizations that we work with. We had a few samples at the meeting and I tried one on, my first reaction was "this is way too heavy of a jacket for our Southern California climate. Brother Jack O'Connor looked at me and said "not if you sleep outside". The light went off in my head I let the way we live in Anaheim Hills cloud the fact that there are so many people out there that don't have the basic needs of life day to day.

Frank Smaldino and I did the Mary's Kitchen food run today.

When you see up close the people that line up for food, clothes, and other personal items it makes you think, after they spend part of their day there then where do they go?

I am asking all of you that are able to help out at Mary's Kitchen to step up and give some time for others. Our council makes the food run every Thursday with different 2 man teams; we also help with food prep and cleanup, if we could get more Knights involved it would ease the workload for those that do help. It is only a once a month, we all joined the Knights, and the first principal of our order is charity, this is charity!

Your humble Grand Knight

Deputy Knight's Message

Brother Knights,

In these times where so many are struggling, where we see so much divisiveness in the media and where the sense of normalcy seems lost, I have never been more proud to be a Knight. In my lifetime, I can't think of a period when we are more needed. I can't think of a time where

there have been greater opportunities for us to truly live our faith and exemplify our virtues of Charity, Unity, Fraternity and Patriotism.

With the coming election, our media seems to foster anger and dissent. The values that we hold dear, the truths that we grew up believing in and the history that we were taught seems to be under attack. Christopher Columbus, the patriarchal symbol for whom our order was named is being portrayed in a distorted light. Many would have us believe that our world is being turned upside down. But those of us who still remain strong in our convictions, who still pray the Rosary and who still know that the sky is blue know what we must do. We must be dignified in our actions, we must be strong in our faith, and we must pray. As Knights, we will continue to lead by example and be there for all those in need.

I encourage you to recall the reasons you decided to become a Knight and continue to follow through with those reasons.

If you haven't seen it already, I also encourage you to watch the video called Courage and Conviction on the life of Christopher Columbus

that is featured on the KoC Youtube Channel:

Editor's Note: I watched this video and it is excellent!

Christmas Is For Families

Brothers,

Christmas is right around the corner and we are in full swing in our Christmas is for Families program. Shortly, you should be receiving a letter in the mail asking for your donations as well as your time.

This has been a year like no other and everyone has been affected in one way or another through Covid. So many have been hurt financially and the need now is more than ever.

With the funds donated, we are able to assist families. We help families that are assigned to us through the Family Assistance ministry as well as marine families at Camp Pendleton. The funds to help these families all comes from this yearly donation appeal, there is not a line item in the budget, whatever we receive, is what we donate.

The time donation we ask for is to help with shopping for the families. Each family is assigned to small team of Knights, who meet with the family, determine what the needs for Christmas are, shop for gifts, wrap the gifts and deliver those gifts close to Christmas.

Working on this program the last few years has truly shown me the true sense of Christmas, and how truly blessed we are and what a blessing it is to be able to help others.

It is in the true spirit of Christmas that I ask for generous donations, either by the return envelope or at the November meeting. If you would like to help out with a family,

please see me at the November meeting or call 714-519-9066.

Thank you, God Bless & Merry Christmas

Paul Helterline

Family Christmas Chairman

Charity Help

We need eight Knights to add to the volunteer team working at Mary's Kitchen. This is for support on Thursdays. We currently have 4 teams and need to increase that to 6 teams. Happenings

Mary's Kitchen Mishap

Rapid and strong braking caused a few boxes to fall forward and created "an Upside Down" cake. No harm, no foul. It was all set right and re-boxed before delivery to Mary's Kitchen. Can you guess who the driver was this day?

Additional volunteers are needed to support Mary's Kitchen. Contact Jack O'Connor at 714-609-7232.

Recycle Saturday, October 3

On the north sorting table are Tony "yellow gloves" Arciero, Mike Busch, Wendell "blue gloves" Walters, and Curt Horner.

After the delivery of a bag full of recycle items from Father Seamus Glyn, the team gathers around the bag in gratitude to Father for saving items for recycle. Thank you Father Seamus. We appreciate you contributing to our fundraising.

Masks down for a picture are:

Front Row: Davide Zlaket, Mike Busch, Father Seamus's recycle bag, Wendell Walters.

Second Row: Jim "green gloves" Zures, John Lawson, Henry Garrido, Tony Arciero, new Knight Gary Fulbright, Dennis McCoy, Tony "black gloves" Giusiana, Mark Thornberg, Jack "leather gloves" O'Connor.

Henry Garrido (holding a rag) is done cleaning a sorting table while the rest of the team prepares for the next load to be dropped off. Gary "gray gloves" Fulbright and Bob "orange/white gloves" Murray are observed from afar by a masked PGK John Larson. Note the speaker between Henry and Bob - Jim Zures has brought "mood music" to this First Saturday of the month morning gathering.

Mark Thornberg is behind the wheel of the transport truck to the recycle center. Being all smiles while carrying just over \$380 from this fundraising event.

Next Recycle Saturday is on November 7 from 8am to 10am. Bring your plastic bottles and aluminum cans.

Council Charity Golf Tournament, October 12 (Columbus Day)

Surprise Guest to the golf tournament is Christopher Columbus (aka: Paul "Chris" McHenry) positioned to greet arriving players at Alta Vista Country Club. What an honor to have such a celebrity donate his time to our worthy event. Thanks Paul.

Here is "Chris" leading the volunteers to the picture taking for the below picture.

Saturday Morning Rosary, October 10

KNIGHT'S ENLIGHTENING

Hey Guys, the golf tournament doesn't start until noon! While we simplified the tournament this year, the agreed to time to arrive was set at 8:30am. That gave the team time to say hello and pay our respects to Christopher Columbus. And put up the K of C pop up canopy, the registration table, the raffle prizes table, and have a cup of coffee and a donut. Oh, and to spend some time catching up with each other.

Golf Tournament volunteers are: David Zlaket, John Lawson, Tony Giusiana, Dennis McCoy, Blake Kidd, Bob Murray, Paul "Chris" McHenry, Frank Smaldino, Mark Thornberg, and Justin Glauthier. Thanks fellow Knights, you put on outstanding fundraising event for 92 golfers and 12 tee sponsors

The San Antonio Church Varsity Golf Team of Len Gesseck, Klaus Rindt, Joe Parker, and Mike Born. Affectionately known at AHGC as "The Catholics" who play almost every Thursday morning.

The golf carts are loaded with clubs and the players have gotten their box lunches and are getting ready for the noon tee off.

Bob Murray, Golf Tournament Co-Chair, is ready to tee off one of his straight long drives. It was a hot day in October with little wind so many fluids were consumed. So the laughs just kept on coming with the excellent play by all.

Columbus Day in Orange County. The golfers stand proudly around our countries flag before the

tournament begins. A patriotic bunch. Thank you for joining us for this fundraiser.

Special thanks goes to the Golf Committee of Mark Thornberg, Dennis McCoy, Jim Mackey, Blake Kidd, and Co-Chair's Bob Murray and Frank Smaldino.

Officers Meeting, October 20

Last years Grand Knight John Lawson receiving the Father McGivney Founders Award from District Deputy Curt Horner.

John Lawson stepped up and devoted his efforts to learning the operations of our council during the process of being the Chancellor and Deputy Grand Knight. He quickly moved into the position of Grand Knight. He provided a great service to our council and has earned this award. Congratulations Sir Knight John Lawson PGK.

Now as a First Year Trustee he heads up the quarterly Red Cross Blood Drives, works the Recycle Saturday, helps set up the chairs and altar and sound system under the outdoor tent, etc. while continuing to service our council and carry on our mission to care for the needy and follow the path of God.

Thank you to John and Betty Ann Lawson.

A close up of the award.

Our current GrandKnight, Mark Thornberg, on the Van pick-up team at Albertsons on Chapman Avenue and Jamboree Road. If you look closely, you can tell that Mark is both laughing and

contemplating what I am going to say about this picture or he is trying to decide if he wants some pecan pie or a orange speckled donut. Let me be clear, he was very disciplined and had neither. Proud of you Mark.

Mark still carries the title of the best backer upper of the Mary's Kitchen van I have ever seen. He is a natural at driving backwards.

Patriots and Paws

Chancellor Blake Kidd and Penny Lambright at the Patriots and Paws facility in Fullerton. Blake is presenting an over \$370 check to P & P's.

On October 3, Blake & Judy Blake and Justin Glauthier brought coffee and donuts to the P & P's car show in east Anaheim. They set up under the K of C canopy and served all morning. The donation jar drew over \$370.

Evening Eucharistic Adoration, October 24

Outdoor Adoration was especially spectacular under the tent on Saturday evening. The chill in the air was a reminder that we are heading into a Southern California winter. God's love is with us as we follow the path he has laid out for us

Sunday Morning Outdoor Mass in the Rain, October 25

The first rains of the coming fall season graced us this morning for the AM Masses. While it was scarcely enough to make puddles, it was a welcome sight to see a bit of moisture on the ground and a fresh smell in the air. Today's gospel focused on the First and Second Commandments to Love God and to Love our

Neighbor as we love ourselves. As Knights we live by these commandments

November Musical Inspiration

The first time I teared up listening to Lee Greenwood's "God Bless the USA" was in the early nineties when the Gulf War (Operation Desert Shield) had just broken out and my son and

daughter, then in elementary school, sang along at a school assembly.

This year Lee recorded this version along with active service heroes in different cities across the country. Something about the state of things with this coming Veteran's Day made me tear up again when I heard it. I can't respect more the participants for not only their talent in contributing to this beautiful rendition but also for their service to our great country. God bless the USA!

Council Nomination Announcement

During the last Officers Meeting Council #9195 leadership nominated Jim Zures for the second Outside Guard position. Per protocol this nomination must be posted in the newsletter and voted upon and approved at the next council meeting to be held on November 4. Jim is honored and appreciative of such consideration for this position.

The newsletter Editor endorses the candidate and assures a low probability

that an early November election surprise such as a "laptop from hell" or other such controversy is likely to occur as an attempt to influence the vote.

Field Agent Message

The theme for November is "Real Life Stories."

A field agent like me who is lucky enough to be doing this great work for even a few years, undoubtedly has a personal story of the chaos and disorder that a devastated family stares at when there is a sudden loss. If our goal is to protect Catholic families from the near devastation that our Venerable founder faced, then I have to tell the story of how I can help my brother knights. The process of making sure one has adequate protection for the family is not painful; in fact since we are brother knights serving brother knights, it is often a time of not only helping to protect all that is important to a family, but also a shared experience that leads to an abiding friendship.

There are two stories I'd like to relate.

The first is about a young boy named Julius. When Julius was 7 years old his mother, Irene, who was 37, died of cancer. His father, Norman, had two teenage girls along with 7 year old Julius to support and raise. The family was forced to rely on the help and generosity of friends and relatives because Irene died without life insurance. Norman had a three hour commute to his job, but always supported his children's activities. Julius excelled at sports, especially football and his dad spent what little free time he had fostering Julius and his talent. Julius later admitted that he "was handed a life lesson early, growing up with one parent. It wasn't the easiest life—my dad sacrificed a lot."

Fast forward to Julius some 30 years later and he is married, has a wife and two children. He's done quite well for himself both professionally and financially. He has had a distinguished career and he has a considerable amount of life insurance to protect his family. Julius understands protection quite well after the early life he experienced. He understands the hardships of a family that loses a parent and what the children must go through. In

his professional life he enjoyed considerable success because of those that protected him. For 13 years he was protected in his career. You see that protection for Julius came in the form of 300 pound offensive linemen...nobody called him Julius. His nickname was "Boomer"...Boomer Esiason—a four time Pro Bowler, an NFL Most Valuable Player and a Walter Peyton NFL Man of the Year. Most importantly, a husband to Cheryl and a father to Sydney and Gunnar.

"Life happens at the most unexpected of times, and life insurance is about protecting the future and the people you love," Boomer says. "Remember, if something happens and you haven't done the planning, the people you leave behind will feel the brunt of your mistakes." That story comes from LifeHappens.org.

The other story is not similar at all. It's about a member of the Knights of Columbus. He passed away recently and like in Boomer's family, left behind a spouse and several young children. There were no whispered worries at the funeral home. There was no GoFundMe page to raise money. There is no concern that the children will not go to college or that the wedding he promised his daughter will not take place. No, their home and future are secure. Who was that knight? I don't know; you don't hear about those men. Because the council didn't have to have a spaghetti dinner or pass the hat. But I assure you he was out there. But you'll never know it...because he planned.

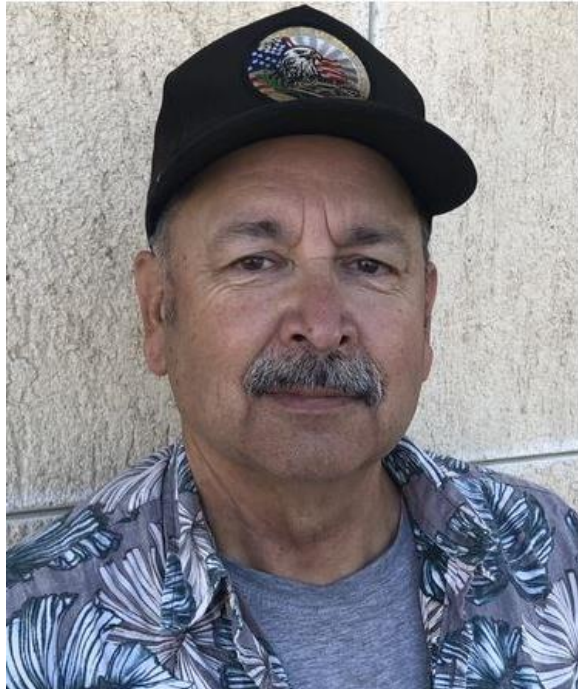

Let's sit down and do some planning and put your mind at ease.

Vivat Jesus!
Best Regards,
